lady of knock sheet music: Saved by a Song Mary Gauthier, 2021-07-06 A handbook for compassion... a Must-Read Music Book." —Rolling Stone Country Generous and big-hearted,

Gauthier has stories to tell and worthwhile advice to share. —Wally Lamb, author of *I Know This Much Is True* Gauthier has an uncanny ability to combine songwriting craft with a seeker's vulnerability and a sage's wisdom." —Amy Ray, Indigo Girls From the Grammy nominated folk singer and songwriter, an inspiring exploration of creativity and the redemptive power of song Mary Gauthier was twelve years old when she was given her Aunt Jenny's old guitar and taught herself to play with a Mel Bay basic guitar workbook. Music offered her a window to a world where others felt the way she did. Songs became lifelines to her, and she longed to write her own, one day. Then, for a decade, while struggling with addiction, Gauthier put her dream away and her call to songwriting faded. It wasn't until she got sober and went to an open mic with a friend did she realize that she not only still wanted to write songs, she needed to. Today, Gauthier is a decorated musical artist, with numerous awards and recognition for her songwriting, including a Grammy nomination. In *Saved by a Song*, Mary Gauthier pulls the curtain back on the artistry of songwriting. Part memoir, part philosophy of art, part nuts and bolts of songwriting, her book celebrates the redemptive power of song to inspire and bring seemingly different kinds of people together.

lady of knock sheet music: *The Rape of David Miles* John E. Thompson, 2006-04-04 David Miles is twirling about in a world of his own when suddenly he is distracted by an experienced, professional woman. David reluctantly follows the woman to her lair and is hypnotically seduced by the woman's moves, her music and her lovemaking. When she tells him her name is Ophelia, David is even more mesmerized; as if taken by a goddess. Before meeting this woman David's life consisted of playing in his high school jazz orchestra, playing with a jazz trio, and living and eating in his parent's home. David's family is closed knit and his parents (Oscar and Celia), and siblings (Michele and Bowen) are well aware of the life he wants to live; but now they must accept the fact that he wants to leave the old ways of his life and begin a new journey, one that involves travel and playing in a small band of jazz musicians. He looks up to the male members of the band (Jonas "Redd" Butler on bass, Germain "Slim" Dawson on drums), and admires the vocalist, Sheree Cole. Sheree would like to have a much more intimate relationship with David. The band – Redd River – is counting on David's playing and writing abilities but David becomes sidetracked by his feelings for Ophelia and the hold she has over him. He is so awestruck by Ophelia that he cannot develop relationships with other women his own age, one in particular (Marie Jones). This power that Ophelia has eventually draws him in to the use of heroin; as a social user at first, but eventually he becomes wickedly addicted. David's drug use and womanizing eventually affects his performance as a musician and threatens his membership in the band.
