Selecting the Right Poem

When you're browsing for Mother's Day poems for daughter-in-laws, keep these points in mind:

Personalizing Your Chosen Poem

mothers day poems for daughter in laws: The Petals of a Kansas Sunflower Melvin D. Epp, 2012-12-18 Rather than pledging allegiance to the military effort as dictated by Prussian law in 1867, many devout Anabaptists deemed it prudent to become pioneers in Kansas. The year was 1876 and odd numbered sections of railroad land were being marketed by the Santa Fe across Kansas. Towns developed around train depots; local shopping became available. Marie Harder Epp was born in America to these relocated Anabaptists. She was a Kansas Mennonite farmer and also the village poet. Her poems, written for oral delivery, tell the story of life in Holland and West Prussia following the Reformation, the relocation to Kansas, and the creation of a church community on the tall grass prairies. A church was organized to focus these hard-working Germans on divine realities as they buried their dead, married their young, and dealt with the harsh prairie winds. Marie's poems also describe the changeover from buggies to cars, from German to English, and from isolation to global outreach. With time, the Anabaptists learned through cultural adaptation that they could be both staunch Mennonites and also patriotic Americans.

mothers day poems for daughter in laws: Sharon and My Mother-in-Law Suad Amiry, 2007-12-18 Based on diaries and email correspondence that she kept from 1981-2004, here Suad Amiry evokes daily life in the West Bank town of Ramallah. A literary protest done with great wit, skill, and passion. Not only is it really funny but it shows the kind of courage, vision, and humanity needed to bring peace to the Middle East. —Eve Ensler, author of *The Vagina Monologues* Capturing the frustrations, cabin fever, and downright misery of her experiences, Amiry writes with elegance and humor about the enormous difficulty of moving from one place to another, the torture of falling in love with someone from another town, the absurdity of her dog receiving a Jerusalem identity card when thousands of Palestinians could not, and the trials of having her ninety-two-year-old mother-in-law living in her house during a forty-two-day curfew. With a wickedly sharp ear for dialogue and a keen eye for detail, Amiry gives us an original, ironic, and firsthand glimpse into the absurdity—and agony—of life in the Occupied Territories.

mothers day poems for daughter in laws: Mom & Me & Mom Maya Angelou, 2013-04-02 NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, *Mom & Me & Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for *Mom & Me & Mom* "Mom & Me & Mom is delivered with Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—The Washington Post "Moving . . . a remarkable portrait of two courageous souls."—People "[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon."—Elle "Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman."—Essence

mothers day poems for daughter in laws: Arranged Companions Weijing Lu, 2021-07-22 Although commonly associated with patriarchal oppression, arranged marriages have adapted over the centuries to changing cultural norms and the lived experiences of men and women. In *Arranged Companions*, historian Weijing Lu chronicles how marital behaviors during the early and High Qing (mid-seventeenth through mid-nineteenth centuries) were informed by rich and complex traditions and mediated by the historical conditions of the period, during which marital affection was celebrated as a basic ingredient of an ideal marriage. Lu finds public representation and private communication of marital affection in personal records, including poetry, biographies, letters, and memoirs. During this unique historical moment, ideals of marital companionship and love came to fruition while social changes also created new tensions for couples and extended families. Offering surprising revelations about conjugal relations during this time of change, *Arranged Companions* raises provocative questions about the cultural construction of intimacy and the meaning of a "happy marriage."

While this specific genre offers the reader an extensive array of interesting and provocative titles, it also connects the poetry to real-life. In this collection, the seventy-seven poems are organized into seven diverse and distinct categories. They include, African American history, pets, holidays, education, retirement, family reunion as well as thirty extraordinary poems about real-life experience as characterized in the miscellaneous category. Listed below is graphic compendium of the seven major categories: Life is no Bed of Roses, When it rains, it pours, and Living from Paycheck to Paycheck, are not only poems in the miscellaneous category, but describe some of life's challenges that give true meaning to another old saying, When life gives you lemons, make lemonade. The poem, 365 Days a Year, is a reminder that one day in the calendar year is someone's birthday as noted in B-Day, Your Day. "Live everyday as if it's your last, plan for the future and learn from the past," is a quote and good advice from the Age is nothing but a Number, poem. African American history is another fascinating category. It features eleven very unique and informative poems and short stories. While the month of February is designated as Black History month, the poem, From Africa they came, gives a very descriptive and meaningful picture of how the history actually began. Two other poems, Martin Luther King: the Dreamer, and Obama, the First Black President, both from two different eras, made important contributions to African American history. However, there were many others who paved

the way and made significant sacrifices for a better life in, *We Stand on the Shoulders*. *Jumping the Broom*, and *Living on the wrong side of the Railroad Tracks*, are two interesting short rhyming stories that occurred during and after slavery. Education is paramount to a productive life and features fifteen poems. The important characters in this section are the students and teachers. Poems titled, *Advice for Millennials*, and *What Good Teachers Do*, tell about the importance of a good education. The poem, *Grandparents Memory Page*, describes the important role they played in the family reunion category. A holiday quote from *My Valentine*, poem describes how, “Both candy hearts and human hearts are symbols of love.” One pumps money in the economy and the other pumps blood in the heart. Candy money can create a healthy economy and a romantic heart can create a healthy relationship. Dogs are the boys’ best friends. Three poems in this category describe the love he had for his German shepherd, Doberman, and Maltese poodle.
