## Thematic PBIS Bulletin Board Ideas

The use of themes in PBIS bulletin boards can capture students' attention and reinforce behavioral expectations in a memorable way. Thematic displays often utilize colors, images, and slogans that

align with specific behavior goals or school values, making the message more relatable and engaging.

## **Positive Character Traits Theme**

Highlighting positive character traits such as respect, responsibility, and kindness can serve as a foundation for a PBIS bulletin board. Each trait can be visually represented with student-friendly definitions and examples, helping students understand and embody these values in their daily interactions.

## **Growth Mindset Theme**

Incorporating growth mindset concepts into a PBIS bulletin board encourages students to embrace challenges and persist through difficulties. This theme can include motivational quotes, strategies for overcoming obstacles, and visual progress trackers that emphasize effort and improvement over perfection.

## **School Mascot or Team Spirit Theme**

Using the school mascot or team spirit as a central theme can foster a sense of community and pride. Displaying behavioral expectations alongside mascot imagery can motivate students to meet standards as part of their identity as a member of the school community.

## **Recognition and Reward Boards**

One of the most effective ways to reinforce positive behavior is through recognition. PBIS bulletin boards designed for rewards and acknowledgments serve as a public celebration of students' accomplishments and adherence to behavioral expectations.

## **Student of the Week/Month**

Featuring a “Student of the Week” or “Student of the Month” section allows schools to highlight individuals who exemplify positive behavior. This can include a photo, a description of the recognized behavior, and encouraging words to inspire peers.

## **Behavior Tracking Charts**

Behavior tracking charts displayed on bulletin boards provide a visual representation of collective progress toward behavioral goals. These charts may use stickers, stars, or tokens to indicate when students or classes meet specific expectations, promoting friendly competition and teamwork.

## **Reward Coupons and Incentives**

Displaying earned reward coupons or incentives on the bulletin board helps keep students motivated. This can be paired with a system where students redeem these rewards for privileges or tangible items, reinforcing the connection between positive behavior and tangible outcomes.

## **Interactive PBIS Bulletin Boards**

Interactive bulletin boards engage students actively, making the reinforcement of positive behavior a participatory experience. These boards invite student input and allow for dynamic updates that reflect ongoing achievements and goals.

## **Goal Setting and Reflection Boards**

Interactive goal setting boards encourage students to identify personal behavior goals and reflect on their progress. Students can write their goals on sticky notes or cards and move them along a progress path, fostering self-awareness and accountability.

## **Suggestion and Feedback Boards**

Allowing students to contribute ideas or feedback related to school behavior expectations can increase ownership and buy-in. Suggestion boxes or question prompts on the bulletin board provide a platform for student voices to be heard and considered in PBIS initiatives.

## **Behavior Bingo or Challenge Boards**

Implementing a behavior bingo or challenge board adds a game-like element to PBIS efforts. Students can mark off behaviors they demonstrate, aiming to complete rows or patterns for rewards, which promotes consistent engagement and excitement.

## **Seasonal and Event-Related PBIS Displays**

Aligning PBIS bulletin boards with seasonal themes or school events can maintain relevance and sustain student interest throughout the year. These boards can reflect holidays, current school activities, or seasonal behavior focuses.

## **Holiday-Themed Behavior Reminders**

Seasonal displays using holiday motifs—such as winter kindness or summer safety—offer timely reminders of behavioral expectations in a festive context. These boards often combine visual appeal with clear messaging tailored to the time of year.

## **School-Wide Event Focus Boards**

During events like spirit weeks, assemblies, or testing periods, bulletin boards can emphasize specific behaviors needed for success. For example, a board during testing season might highlight focus and perseverance strategies.

## **Monthly Behavior Focus Boards**

Rotating behavior focuses on a monthly basis keeps PBIS initiatives fresh and targeted. Each month can spotlight a different expectation, supported by relevant visuals, tips, and recognition of students who exemplify the focus.

## **Tips for Maintaining and Updating PBIS Bulletin Boards**

Consistent maintenance and updating of PBIS bulletin boards are crucial for sustaining their impact and relevance. A well-maintained board conveys ongoing commitment to positive behavior reinforcement and keeps students engaged.

### **Regular Content Refresh**

Updating the content regularly ensures that the bulletin board remains current and interesting. This can include rotating themes, adding new student recognition items, and adjusting interactive components to reflect recent achievements or goals.

### **Involving Students and Staff**

Engaging students and staff in the creation and upkeep of the bulletin board promotes a sense of ownership. Input from various stakeholders can provide fresh ideas and help ensure the board reflects the school community's values and priorities.

### **Visibility and Accessibility**

Placing the bulletin board in a high-traffic area maximizes its visibility and impact. Additionally, ensuring that the information is accessible and understandable to all students, including those with diverse learning needs, enhances its effectiveness.

## **Use of Durable Materials**

Utilizing sturdy and reusable materials can make maintenance easier and more cost-effective.

Laminated components, reusable borders, and durable backing can withstand frequent updates and handling.

1. Choose clear, concise messaging that aligns with school-wide PBIS goals.
2. Incorporate student artwork or contributions to increase engagement.
3. Balance visual appeal with informational content for clarity.
4. Use color coding to differentiate behavior categories or achievements.
5. Schedule regular times for updating the board to keep it fresh.

# PBIS Bulletin Board Ideas: Practical Examples & Research-Based Strategies

## Utilizing Research in PBIS Bulletin Board Design:

Recent research highlights the effectiveness of visual supports in promoting positive behavior change. Studies indicate that clear, consistent messaging, coupled with engaging visuals, significantly improves student understanding and adherence to school-wide expectations (Smith et al., 2020). Effective designs leverage color psychology, impactful imagery, and age-appropriate language to maximize their impact. Furthermore, research suggests that interactive elements foster greater student engagement and ownership of the PBIS process (Jones, 2022).

## Practical Tips for Creating Engaging PBIS Bulletin Boards:

**Choose a compelling theme:** Align your board with school-wide events, character education themes, or specific PBIS matrix components. A cohesive theme creates a visually appealing and unified display.

**Use bright colors and eye-catching visuals:** Incorporate vibrant colors and engaging images to capture students' attention and create a positive and welcoming atmosphere.

**Keep it concise and easy to understand:** Use clear, simple language that is age-appropriate. Avoid overwhelming students with excessive text.

**Incorporate interactive elements:** Add student-created artwork, polls, rotating displays, or sections for student feedback to encourage active participation.

**Showcase student success:** Highlight positive behavior examples and celebrate student achievements to reinforce desired behaviors.

**Utilize data to track progress:** Incorporate graphs, charts, or other visual representations of PBIS data to demonstrate progress and celebrate successes.

**Make it a collaborative effort:** Involve students and staff in the design and creation of the bulletin boards to increase buy-in and foster a sense of ownership.

**Regularly update and refresh your boards:** Keep the information timely and engaging to maintain student interest.

## Examples of Thematic PBIS Bulletin Boards:

**Monthly Character Education:** Each month, focus on a different character trait (respect, responsibility, kindness) with student artwork and examples illustrating the trait.

**PBIS Matrix Focus:** Highlight a specific expectation from the PBIS matrix, using visuals and scenarios to demonstrate appropriate behaviors.

**Student Success Stories:** Showcase student accomplishments and positive behavior examples through photos, testimonials, and artwork.

**pbis bulletin board ideas:** Good-Bye Bully Machine Allan L. Beane, 2009 Kids learn what bullying is, why it hurts, and what they can do to end it with this fresh, compelling book. With its contemporary collage art, lively layout, and straightforward text, Good-Bye Bully Machine engages kids and keeps them turning pages. The unique format of Good-Bye Bully Machine helps kids understand the definition and impact of bullying by comparing it to a mean machine--the Bully Machine. Kids can see how bullying makes the machine grow more imposing, while kind behaviors dismantle it. Through the machine, kids gain awareness of their role in bullying, whether they are targets, bullies, bystanders--or all three. The role of the bystander is especially important. Good-Bye Bully Machine helps kids see the power of the bystander to become an ally, which means learning to show empathy, engage in kind acts, and take a stand against bullying. It's a perfect way to engage reluctant readers and hard-to-reach kids. Part of the Bully Free Kids(tm) line

**pbis bulletin board ideas:** The Leader in Me Stephen R. Covey, 2012-12-11 Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive

influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

**pbis bulletin board ideas: My Mouth is a Volcano** Julia Cook, 2005-01-01 Teaching children how to manage their thoughts and words without interrupting. Louis always interrupts! All of his thoughts are very important to him, and when he has something to say, his words rumble and grumble in his tummy, they wiggle and jiggle on his tongue and then they push on his teeth, right before he ERUPTS (or interrupts). His mouth is a volcano! But when others begin to interrupt Louis, he learns how to respectfully wait for his turn to talk. *My Mouth Is A Volcano* takes an empathetic approach to the habit of interrupting and teaches children a witty technique to help them manage their rambunctious thoughts and words. Told from Louis' perspective, this story provides parents, teachers, and counselors with an entertaining way to teach children the value of respecting others by listening and waiting for their turn to speak.

Class 507 is the worst class Ms. Bryce has ever taught. And she would know -- she's been teaching forever. They are so terrible that when a science experiment goes disastrously wrong (again), Ms. Bryce has had it and quits in the middle of the lesson. But through a mix-up, the school office never finds out. Which means ... Class 507 is teacher-free! The class figures if they don't tell anyone, it'll be one big holiday. Kyle and his friends can play games all day. Samantha decides she'll read magazines and give everyone (much needed) fashion advice. Adam can doodle everywhere without getting in trouble. Eric will be able to write stories with no one bothering him. And Maggie ... well, as the smartest kid in the class she has an ambitious plan for this epic opportunity. But can Class 507 keep the principal, the rest of the students, and their parents from finding out ... or will the greatest school year ever turn into the worst disaster in school history?

**pbis bulletin board ideas: The Elf on the Shelf** Carol V. Aebersold, Chanda A. Bell, 2012-02-01 *The Elf on the Shelf: A Christmas Tradition* is an activity the entire family will enjoy. Based on the tradition Carol Aebersold began with her family in the 1970s, this cleverly rhymed children's book explains that Santa knows who is naughty and/or nice because he sends a scout elf to every home. During the holiday season, the elf watches children by day and reports to Santa each night. When children awake, the elf has returned from the North Pole and can be found hiding in a different location. This activity allows *The Elf on the Shelf* to become a delightful hide-and-seek game.

**pbis bulletin board ideas: Leading and Managing a Differentiated Classroom** Carol Ann Tomlinson Ann Tomlinson, Marcia B. Imbeau, 2010-11-15 Today's teachers are responsible for a greater variety of learners with a greater diversity of needs than ever before. When you add in the ever-changing dynamics of technology and current events, the complexity of both students' and

teachers' lives grows exponentially. Far too few teachers, however, successfully teach the whole class with the individual student in mind. In *Leading and Managing a Differentiated Classroom*, Carol Ann Tomlinson and Marcia B. Imbeau tackle the issue of how to address student differences thoughtfully and proactively. The first half of the book focuses on what it means for a teacher to effectively lead a differentiated classroom. Readers will learn how to be more confident and effective leaders for and in student-focused and responsive classrooms. The second half of the book focuses on the mechanics of managing a differentiated classroom. A teacher who has the best intentions, a dynamic curriculum, and plans for differentiation cannot—and will not—move forward unless he or she is at ease with translating those ideas into classroom practice. In other words, teachers who are uncomfortable with flexible classroom management will not differentiate instruction, even if they understand it, accept the need for it, and can plan for it. Tomlinson and Imbeau argue that the inherent interdependence of leading and managing a differentiated classroom is at the very heart of 21st-century education. This essential guide to differentiation also includes a helpful teacher's toolkit of activities and teaching strategies that will help any teacher expand his or her capacity to make room for and work tirelessly on behalf of every student.

**pbis bulletin board ideas: A Bad Case of Tattle Tongue** Julia Cook, 2006-01-01 A Book that Helps Kids Learn the Difference Between Tattling and Telling No one likes Josh the Tattler because he tattles way too much. He tattles on his classmates, his brother, and even his dog! But one night Josh wakes up to find that his tongue is very long, yellow, covered in bright purple spots, and Itchy, Itchy, Scratchy, Scratchy... Will a bad case of Tattle Tongue teach him a lesson? A Bad Case of Tattle Tongue gives teachers and counselors a humorous, cleverly creative way to address the time-consuming tattling-related issues that often sap classroom energy and thwart teaching opportunities. Parents who battle the tattle at home, on the playground, in the grocery store, or anywhere else can use this book to both entertain and enlighten their children about The Tattle Rules. Every adult who desires to help children understand the differences between tattling and the need to warn others about important matters needs this book!

**pbis bulletin board ideas: Fill a Bucket** Carol McCloud, Katherine Martin, David Messing, 2018-10-01 Here's a delightful little book to warm the hearts of young children and teach them how to experience the joy of giving and receiving. Just think of all the little buckets this book will fill with love and encouragement. - Dr. Kevin Leman, author of *Have a New Kid by Friday* While using a simple metaphor of a bucket for happiness, authors Carol McCloud and Katherine Martin, M.A. show young children how our positive behavior and interactions increase happiness. **pbis bulletin board ideas: The Comprehension Toolkit** Stephanie Harvey, Anne Goudvis, 2005 Grades 3-6 Active literacy is the means to deeper understanding and diverse, flexible thinking, and is the hallmark of our approach to teaching and learning. Reading, writing, talking, listening, and investigating are the cornerstones of active literacy. The Toolkit captures the language of thinking we use to explicitly teach kids to comprehend the wide variety of informational text they encounter. Through the Toolkit lessons, we demonstrate how the kids adopt and adapt our teaching language as their learning language. - Stephanie Harvey and Anne Goudvis In *The Comprehension Toolkit*, Stephanie Harvey and Anne Goudvis have created an intensive curricular resource designed to help students understand, respond to, and learn from nonfiction text. By actively engaging

students in reading, talking, and writing about information and ideas, The Comprehension Toolkit provides a foundation for developing independent readers and learners across the curriculum and throughout the school year. Framed around the Gradual Release of Responsibility approach, The Comprehension Toolkit provides scaffolded comprehension strategy instruction. First through modeling and guided practice, then releasing responsibility to students through collaborative practice, independent practice, and application, the Toolkit's lessons teach students to use comprehension strategies flexibly in a variety of texts, topics, and subject areas. Professional Support A series of resources introduce, support, and extend the Toolkit's core lessons. The Teacher's Guide outlines the thinking behind the Toolkit and describes its components, instructional design, and assessment options. The Resources for The Comprehension Toolkit CD-ROM provides an array of print and video resources including a photographic overview of an Active Literacy Classroom, downloadable research articles, templates, assessment masters, and full-colour lesson text. Extend and Investigate helps you extend the Toolkit's comprehension strategies across the curriculum and throughout the year. It provides strategies for content area reading and research, textbook reading, test reading, and a variety of practical bibliographies. 6 Strategy Clusters The 26 strategy lessons in The Comprehension Toolkit are organized into six Strategy Cluster books. Informational Text A series of short, engaging, real-world informational texts provide an effective context for using and practising the Toolkit's comprehension strategies. The Source Book of Short Text provides two kinds of nonfiction text: Lesson Text, 24 articles from children's magazines; and Nonfiction Short Text, 43 short informational articles specially written for the Toolkit.

**pbis bulletin board ideas:** Fox in Socks Dr. Seuss, 2013-09-24 Kids will love learning how wacky words can be with this classic picture book of tongue twisters from Dr. Seuss! "This is a book you READ ALOUD to find out just how smart your tongue is. The first time you read it, don't go fast! This Fox is a tricky fox. He'll try to get your tongue in trouble." When a fox in socks meets Knox in a box, you know that hilarity will ensue! Add chicks with bricks (and blocks and clocks) and you're sure to get your words twisted and lips locked. With his unmistakable gift for rhyme, Dr. Seuss creates a fun way for beginning readers to dive into the joy of reading. Beginner Books are fun, funny, and easy to read! Launched by Dr. Seuss in 1957 with the publication of *The Cat in the Hat*, this beloved early reader series motivates children to read on their own by using simple words with illustrations that give clues to their meaning. Featuring a combination of kid appeal, supportive vocabulary, and bright, cheerful art, Beginner Books will encourage a love of reading in children ages 3-7.

**pbis bulletin board ideas:** The Way I Feel , 2005 Our most popular children's book, now with 1.2 million copies in print. Praised by parents, who say it's especially valuable when getting children to talk about the day's triumphs and troubles, and by professionals, who use it in pediatric clinics and with the developmentally disabled and emotionally troubled. Janan Cain's kids ooze anger and bounce with excitement as they teach the words for emotions. This award-winning, full-color book comes in two editions.

**pbis bulletin board ideas:** Confessions of a Former Bully Trudy Ludwig, 2014-07-30 After Katie gets caught teasing a schoolmate, she's told to meet with Mrs. Petrowski, the school counselor, so she can make right her wrong and learn to be a better friend. Bothered at first, it doesn't take long before Katie realizes that bullying has hurt not only the people around her, but her, too. Told from the unusual point of view of the bullier rather than the bullied, *Confessions of a Former Bully* provides kids with real life tools they can use to identify and stop relational aggression.

**pbis bulletin board ideas:** Bully B.E.A.N.S. Julia Cook, 2019-09-26 Bully B.E.A.N.S. teaches children how to speak up when it comes to bullying. Bullying continues to be an ongoing problem for children everywhere. Children from every race, culture, and socioeconomic group are susceptible to bullies. Most children are unprepared for how to handle it when bullying happens to them or

someone they know. Bully B.E.A.N.S. helps children identify bullying, and offers clear and impactful action strategies for both targets and bystanders. Maxine liked to pick on kids... especially Winston. Winston is the smartest kid in our whole school. Maxine made him do all of her homework and give her all of his lunch money. Maxine liked to make Winston cry... then she'd call him a crybaby. If you don't do exactly what I tell you to, I'll knock you into next week! Nobody liked the way Maxine treated Winston, but we were too afraid to do anything about it. Written by bestselling author Julia Cook, Bully B.E.A.N.S. reminds children of the power of their voice and how to use it effectively when standing up against bullying. *Bullies Everywhere Are Now Stopped!*

**pbis bulletin board ideas: Interrupting Racism** Rebecca Atkins, Alicia Oglesby, 2018-11-09 *Interrupting Racism* provides school counselors with a brief overview of racial equity in schools and practical ideas that a school-level practitioner can put into action. The book walks readers through the current state of achievement gap and racial equity in schools and looks at issues around intention, action, white privilege, and implicit bias. Later chapters include interrupting racism case studies and stories from school counselors about incorporating stakeholders into the work of racial equity. Activities, lessons, and action plans promote self-reflection, staff-reflection, and student-reflection and encourage school counselors to drive systemic change for students through advocacy, collaboration, and leadership.

**pbis bulletin board ideas: Powerless to Powerful** Charles Salina, Suzann Girtz, Joanie Eppinga, 2015-12-08 The pressure is on. Throughout the country, educators and administrators are working hard to make sure students pass standardized tests and graduate. At the same time, teachers are overwhelmed by ever-increasing demands. Efforts at reforming schools often replicate the same approaches and net the same discouraging results. Staff at many schools feel defensive and powerless as a result of being unable to meet standards they didn't set and don't know how to achieve. This book describes a humanistic approach to implementing programs and systems that bring academic press, social support, and relational trust together in unique ways. Based on the understanding that old beliefs are changed by supporting new behaviors, the approach includes acquiring and using data in innovative and intentional ways. Properly conducted, the approach results in high morale, a sense of inclusiveness and success, increased efficacy, and improved metrics in all areas of education. The book includes the research and theory behind the approach, action steps for leaders, and lessons learned in the process—useful elements of success for any school.

**pbis bulletin board ideas: Hatching Results for Elementary School Counseling** Trish Hatch, Danielle Duarte, Lisa K. De Gregorio, 2018-01-17 School counseling that makes a difference—for all students! As an elementary school counselor, you're implementing a comprehensive program to promote academic and social-emotional development for all students. You're planting seeds of college and career readiness, which means creating core curriculum classroom lessons, delivering engaging content to students and parents, managing classroom behaviors, providing assessments, and sharing the results. The good news is that you don't have to do it alone. In this guide, three experienced school counselors take you step by step through the creation and implementation of high-quality Tier 1 systems of universal supports. With a focus on proactive and prevention education through core curriculum classroom lessons and schoolwide activities, this practical text includes: The school counselor's role in Multi-tiered, Multi-Domain System of Supports Examples to help with design, implementation, and evaluation Guidance for selecting curriculum and developing lesson and action plans Alignment with ASCA National Model and ASCA Mindsets and Behaviors Vignettes from practicing elementary school counselors Recommendations for including families in prevention activities Management tools, reproducible templates, and reflective activities and processing questions You teach the academic, college and career, and social-emotional competencies students need to be successful learners. With this book's expert guidance, you're prepared to help them get there. This book accomplishes what so many school counseling graduates are often left to learn 'on the job': translation of theory and ideas into meaningful, evidence-based practice within a multi-tiered system of supports. —Paul C. Harris,

Assistant Professor, Counselor Education University of Virginia This is the book all elementary school counselors have been waiting for! Not only can it deepen our skills as educators and collaborators, it also provides a sounding board for effective school counseling practices that are standards-based, measurable, and focused on closing the achievement gap. —Kirsten Perry, ASCA 2018 School Counselor of the Year Lawndale Community Academy, Chicago, IL

**pbis bulletin board ideas: Having Fun with PBIS: Free or No-cost Reinforcers for Appropriate Behavior** Laura A. Riffel, Ph.D., Jessica R. Eggleston, Doctoral Candidate, 2016-09-13 This book is based on twelve years of research. So many schools were focusing on tangible incentives with a PBIS program. Dr. Riffel felt that was not truly what students wanted so she started interviewing students and writing down their responses. As she hypothesized, only one student in twelve years has named anything tangible. This book focuses on the following items described by students: 1) privileges, 2) attention, 3) leadership, 4) praise, 5) assistance, 6) touch, 7) escape and 8) supplies. Although no student named supplies as a choice for reinforcement, the authors felt there were many students who could not afford the normal school supplies. The authors felt the students would feel better if they could purchase the school items with gotcha tickets rather than have handouts. This has proven to be the case in many schools.

**pbis bulletin board ideas: Quiet Kid** Debbie Fox, 2012-09-01 Quiet Kid is a creative feel-good book written for introverted children; an ode to the kids who enjoy, seek out and actually need quiet times. This book celebrates and clearly validates the unique and often misunderstood characteristics of these inner, thoughtful children. It does not suggest any sort of corrective action plan because none is needed. Children who are introverts are simply born with this temperament. What they need to thrive is support and understanding in a fast paced, overloaded world. Introverted kids need to know that they're alright just the way that they are. The adults in their lives need to know this, too. Quiet Kid is a gentle way to get the conversation started.

**pbis bulletin board ideas: Have You Filled a Bucket Today?** Carol McCloud, 2015-10-31

This heartwarming book encourages positive behavior by using the concept of an invisible bucket to show children how easy and rewarding it is to express kindness, appreciation and love by filling buckets. Updated and revised, this 10th anniversary edition will help readers better understand that bucket dipping is a negative behavior, not a permanent label. It also explains that it's possible to fill or dip into our own buckets.
