pdf el diario de ana frank: The Obsession Meyer Levin, 2015-08-13 In 1951, Meyer Levin's wife gave him a copy of The Diary of a Young Girl by Anne Frank, which had just been published in France. Levin was already a successful writer in his mid-forties, searching for a way to bear witness to his experiences as a war correspondent in Europe. In Anne Frank's diary, he found the voice he had been waiting for. The Obsession, widely regarded as one of Meyer Levin's finest works, is a candid account of his struggle to bring his version of Anne Frank's diary to Broadway. Levin's adaptation, begun with the support of Anne's father, Otto, was eventually deemed 'unstageworthy,' and he was supplanted by non-Jewish writers. To Levin, it was a clear case of sanitizing Anne's story in favor of mass appeal. He battled for his version in courtrooms and out, but the fallout nearly

destroyed both his family and his career. In recounting the mania that gripped him for twenty years, Levin spares neither himself nor others. Like all his best work, this extraordinary memoir encompasses larger themes—the nature of Jewishness, the price of assimilation, the writer's obligation to himself and to his subject, and the search for identity and purpose. *The Obsession* is an autobiographical account by one of America's best contemporary novelists of his twenty-year agonizing enslavement to an idea. ... It is a dramatic book, beautifully written, with suspense, sensational revelations, the striking changes of pace and focus, and relentless seeking after the meaning of the obsession. - Sage Journal Publications

pdf el diario de ana frank: *Metamorphosis* Franz Kafka, 2021-03-19 Franz Kafka, the author has very nicely narrated the story of Gregor Samsa who wakes up one day to discover that he has metamorphosed into a bug. The book concerns itself with the themes of alienation and existentialism. The author has written many important stories, including "The Judgement", and much of his novels "Amerika", "The Castle", "The Hunger Artist". Many of his stories were published during his lifetime but many were not. Over the course of the 1920s and 30s Kafka's works were published and translated instantly becoming landmarks of twentieth-century literature. Ironically, the story ends on an optimistic note, as the family puts itself back together. The style of the book epitomizes Kafka's writing. Kafka very interestingly, used to present an impossible situation, such as a man's transformation into an insect, and develop the story from there with perfect realism and intense attention to detail. *The Metamorphosis* is an autobiographical piece of writing, and we find that parts of the story reflect Kafka's own life.

pdf el diario de ana frank: *An Obsession with Anne Frank* Lawrence Graver, 2023-11-10 Anne Frank's Diary has been acclaimed throughout the world as an indelible portrait of a gifted girl and as a remarkable document of the Holocaust. For Meyer Levin, the respected writer who helped bring the Diary to an American audience, the Jewish girl's moving story became a thirty-year obsession that altered his life and brought him heartbreaking sorrow. Lawrence Graver's fascinating account of Meyer Levin's ordeal is a story within a story. What began as a warm collaboration between Levin and Anne's father, Otto Frank, turned into a notorious dispute that lasted several decades and included litigation and public scandal. Behind this story is another: one man's struggle with himself—as a Jew and as a writer—in postwar America. Looming over both stories is the shadow of the Holocaust and its persistent, complex presence in our lives. Graver's book is based on hundreds of unpublished documents and on interviews with some of the Levin-Frank controversy's major participants. It illuminates important areas of American culture: publishing, law, religion,

politics, and the popular media. The Red Scare, anti-McCarthyism, and the commercial imperatives of Broadway are all players in this book, along with the assimilationist mood among many Jews and the simplistic pieties of American society in the 1950s. Graver also examines the different and often conflicting ways that people the world over, Jewish and Gentile, wanted Anne Frank and her much-loved book to be represented. That her afterlife has in extraordinary ways taken on the shape and implications of myth makes Graver's story—and Meyer Levin's—even more compelling. pdf el diario de ana frank: Traveling with Che Guevara Alberto Granado, 2010-05-21 Published for the first time in the U.S. - one of the two diaries on which the upcoming movie *The Motorcycle Diaries* is based - the moving and at times hilarious account of Che Guevara and Alberton Granado's eight-month tour of South America in 1952. In 1952 Alberto Granado, a young doctor, and his friend Ernesto Guevara, a 23-year-old medical student from a distinguished Buenos Aires family, decided to explore their continent. They set off from Cordoba in Argentina on a Norton 500cc motorbike traveled through Chile, Peru, Colombia, and Venezuela. The duo's adventures vary from the suspenseful (stowing away on a cargo ship, exploring Incan ruins) to the comedic (falling in love, drinking, fighting...) to the serious (volunteering as firemen and at a leper colony). They worked as day laborers along the way - as soccer coaches, medical assistants, and furniture movers. The poverty and exploitation of the native population started the process that was to turn Ernesto - the debonair, fun-loving student - into Che, the revolutionary who had a profound impact on the history of several nations. Originally published in Spanish in Cuba in 1978, the first English translation was published by Random House UK in 2003. The movie, based on Granado's and Che's diaries, directed by Walter Salles (*Central Station*, *Behind the Sun*), was produced by Robert Redford and others. Shown at the Sundance Film Festival, it generated great reviews and a frenzied auction for distribution rights, which was won by Focus Features. Granado, now 82, was a consultant to Salles during the production.
