prayer watches cindy trimm pdf: Beyond Your Comfort Zones Calvin Ellison, 2016-01-14 God's plan for all of those who choose to follow Him is a life of joy and abundance. However, while God intended us to live a life of health, harmony and happiness, most live a life of stress, struggle and strife. The main problem most people have in realizing all that God has for them is not merely unbelief; it is the inability to escape their Comfort Zones. Comfort Zones can prevent people from reaching total joy and success in many areas of their lives such as in marriage, relationships with their children and families, on the job, in business, and with their finances. In fact, Comfort Zones prevent people from enjoying a full relationship with God, as they also hinder worship, prayer and faith. You cannot fully receive your blessings until you have stepped out of your Comfort Zones. *Beyond Your Comfort Zones: How to Realize Your Full Potential*, by Dr. Calvin Elision (Dr. E.) will take you on a methodical journey from fear to freedom and position you to be able to better receive from God. The 12 Disciples suffered from major Comfort Zone issues as did Abraham. However, they moved beyond those mental barriers and realized all that God had intended for them, and so can you. *Beyond Your Comfort Zones* will take you step-by-step to detect and recognize Comfort Zones that exist in areas you may not have thought of before and then it will show you exactly how to move beyond them. Backed by dozens of scriptural references, Dr. E points out that the solutions to move beyond Comfort Zones and receive your blessings are all a part of God's Word. However, Dr. E makes it so clear and plain that you will immediately be able to relate Biblical understanding to your daily life. After reading, *Beyond Your Comfort Zones: How to Realize Your Full Potential*, you will have significantly grown and stepped out of your Comfort Zones into the great unknown. You will come away from this book with a renewed understanding and appreciation for the Word of God, a heightened sense of love and forgiveness, and the knowledge of how to turn imagination into manifestation.
