real life discipleship training manual pdf: DiscipleShift Jim Putman, Bobby Harrington, 2013-04-23 Question: What is the God-given purpose of the local church? Answer: Relational discipleship. DiscipleShift walks you through five key shifts that churches must make to refocus on the fundamental biblical mission of discipleship. These intentional changes will attract the world and empower your church members to be salt and light in their communities. Over the last thirty years, many influential church leaders and church planters in America have adopted various models for reaching unchurched people. While many of these approaches have merit, something is still missing, something even more fundamental to the mission of the church: discipleship. Making disciples—helping people to trust and follow Jesus—is the church's God-given mandate. Devoted disciples attract people outside the church because of the change others see in their Christ-like lives. And discipleship empowers Christians to be more like Christ as they intentionally develop relationships with non-believers. Through biblical and professional insights, Jim Putman and Bobby Harrington discuss the transformational effectiveness of making disciples and just how to do so, in practical terms. You'll learn: The specific roles of a disciple-making pastor. The components of person-to-person discipleship. How each ministry in your church leads to discipleship. How to implement discipleship in your church. Disciple-making leaders will not produce perfect churches, but they will create effective churches.

real life discipleship training manual pdf: The Power of Together Jim Putman, 2016-06-21

An Invitation to Deeper, More Joyful, and Rewarding Relationships with God and Others None of us is lovable all of the time. People are unreasonable, arguments flare, feelings are hurt. And no one can make us feel worse than those closest to us. It's easy to fall into the trap of closing ourselves off in order to protect ourselves, rather than opening ourselves up for relationship with each other. But think of who Jesus invited into his life and ministry. They weren't always lovable. Yet he modeled perfect love for us and showed how the mark of a spiritually mature believer was always love. In The Power of Together, pastor and author Jim Putman uncovers the core of true discipleship with an in-depth, biblical look at how Jesus always invited people into relationship with himself. He loved them with God's perfect love and, in the process, showed everyone around him that the act of following God is the act of extending and receiving love that endures all things.

real life discipleship training manual pdf: Church Is a Team Sport Jim Putman, 2008-01-01

To win the game, you need the whole team Pastor Jim Putman, a former wrestler and coach, helped his staff build Real Life Ministries into an army of thousands. But there was a problem. Early on too many sat on the sidelines. Not enough wanted a piece of the action. His voice was faltering from so many sermons and he teetered on the edge of burnout thanks to the mixed blessing of an enormous but needy flock. So he hit his knees. Hard. God's solution surprised him. Putman and his entire leadership team stood before the congregation and gave up. They were done carrying the whole load. There were too many spiritual babies and they needed mature believers to step up. They knew there must be some raw talent hidden in the pews. God led them to use a Bible-based strategy for ministry revitalization that can help bring your church to the next level. Whether you're a burned-out leader or someone ready to tackle an active role in your congregation, Church Is a Team Sport will lead you to both personal growth and renewed spiritual strength. If you're ready to get the whole team in the game, this is the playbook that will show you how to make it happen.

real life discipleship training manual pdf: The Disciple's Cross Avery T. Willis, Jr., Kay

Moore, 1996-11 MasterLife 1: The Disciple's Cross helps you experience life in Christ through practicing these six biblical disciplines: spending time with the Master, living in the Word, praying in faith, fellowshiping with believers, witnessing to the world, and ministering to others.

real life discipleship training manual pdf: The Great Omission Dallas Willard, 2006-06-13 The last command Jesus gave the church before he ascended to heaven was the Great Commission, the call for Christians to make disciples of all the nations. But Christians have responded by making Christians, not disciples. This, according to brilliant scholar and renowned Christian thinker Dallas Willard, has been the church's Great Omission. The word disciple occurs 269 times in the New Testament, writes Willard. Christian is found three times and was first introduced to refer precisely to disciples of Jesus. . . . The New Testament is a book about disciples, by disciples, and for disciples of Jesus Christ. But the point is not merely verbal. What is more important is that the kind of life we see in the earliest church is that of a special type of person. All of the assurances and benefits offered to humankind in the gospel evidently presuppose such a life and do not make realistic sense apart from it. The disciple of Jesus is not the deluxe or heavy-duty model of the Christian -- especially padded, textured, streamlined, and empowered for the fast lane on the straight and narrow way. He or she stands on the pages of the New Testament as the first level of basic transportation in the Kingdom of God. Willard boldly challenges the thought that we can be Christians without being disciples, or call ourselves Christians without applying this understanding of life in the Kingdom of God to every aspect of life on earth. He calls on believers to restore what should be the heart of Christianity -- being active disciples of Jesus Christ. Willard shows us that in the school of life, we are apprentices of the Teacher whose brilliance encourages us to rise above traditional church understanding and embrace the true meaning of discipleship -- an active, concrete, 24/7 life with Jesus.

real life discipleship training manual pdf: Witness Essentials Daniel Meyer, 2012-02-27 We know the radical difference the gospel of Jesus Christ makes, and we want others to know of it. So often, though, we feel that we are inadequate to the task. The Bible studies, exercises and readings in Daniel Meyer's new book will deepen your faith and equip you to minister to others with a new sense of confidence and calling.

real life discipleship training manual pdf: Overwhelmed by Grace Brian Anderson, 2008-10 Every Christian has been saved by God's grace, but many believers have never grasped the glory of that grace. Can God's grace be resisted? Will it cause the believer to endure in faith? How is it related to divine election? Did Christ in His death have a particular group of people in mind? Brian Anderson in *Overwhelmed By Grace* meets a widespread need for the doctrines of grace to be clearly, simply, and Biblically explained for all believers. By the time you are done reading this book, you may also be overwhelmed by grace! Here is a well-reasoned, readable, Biblical explanation of the doctrines of grace. Many Christians find these truths difficult to wrestle with, and unfortunately there is a dearth of material that explains them well. Too many who attempt the task get bogged down in philosophical and historical arguments before they ever deal clearly with the Biblical data. Brian Anderson avoids that pitfall and focuses his energies instead on simply giving a clear and understandable presentation of what Scripture teaches. I am very grateful for his wonderful, straightforward, and above all Biblical treatment of these crucial doctrines. John F. MacArthur, Jr. Pastor, Grace Community Church, Sun Valley, California President, Masters College and Masters Seminary Brian Anderson has written a solid, readable, engaging and very clear book for those who want to understand the nature of God's grace in the salvation of the lost. I warmly recommend it. Dr. John H. Armstrong Founder and President, Act 3 Brian Anderson served from 1990 to 2000 as the teaching pastor of a Bible church in Milpitas, California. Since that time he has been planting and overseeing house churches in Sonora, California.

real life discipleship training manual pdf: Saturate Jeff Vanderstelt, 2015-04-16 What does living for Jesus look like in the everyday stuff of life? Many Christians have unwittingly embraced the idea that "church" is a once-a-week event rather than a community of Spirit-empowered people; that "ministry" is what pastors do on Sundays rather than the 24/7 calling of all believers; and that "discipleship" is a program rather than the normal state of every follower of Jesus. Drawing on his experience as a pastor and church planter, Jeff Vanderstelt wants us to see that there's more—much more—to the Christian life than sitting in a pew once a week. God has called his people to something bigger: a view of the Christian life that encompasses the ordinary, the extraordinary, and everything in between. Packed full of biblical teaching, compelling stories, and real-world advice, this book will remind you that Jesus is filling the world with his presence through the everyday lives of everyday people... People just like you.

real life discipleship training manual pdf: The Disciple Maker's Handbook Bobby Harrington, Josh Robert Patrick, 2017-02-07 Many people believe that discipleship is important, but they need help. In fact, the vast majority of Christians report that they have never been personally disciplined by a more mature follower of Jesus. Is it any wonder that they have a difficult time knowing how to disciple others? If making disciples of Jesus is the greatest cause on earth, how should we equip people to do it? This handbook is a practical guide for how to embrace the discipleship lifestyle - being a disciple of Jesus and how to make other disciples of Jesus. With contributions from pastors and teachers like Francis Chan, Jeff Vanderstelt, Bill Hull, Jim Putman, KP Yohannan, and Robert Coleman, the authors present seven elements that are necessary for disciple making to occur: Jesus—the original disciple maker and centerpiece of discipleship. Holy Spirit—fuels the disciple-making process. Intentionality—making disciples utilizing a strategy and a roadmap. Relationships—creating a loving, genuine connection with others who trust and follow Jesus. Bible—using the Word of God as the manual for making disciples. Journey—forging a traceable growth story from a new birth to spiritual parenthood. Multiply—reproducing the discipleship process so that the disciple becomes a disciple maker. Whether you are a parent who wants to disciple your children, a small group leader who wants to disciple those in your group, or a church leader who wants to disciple future leaders, the seven key elements in this handbook form a framework for understanding discipleship that can be applied in countless situations. In addition, there are questions provided in each section to help you think through how to apply the material to your disciple making efforts.

real life discipleship training manual pdf: Discipleship that Fits Bobby Harrington, Alex

Absalom, 2016-02-09 For far too long, the church has tried to make disciples using a one-size-fits-all approach. Some churches advocate 1-on-1 discipling, others try getting everyone into a small group, while still others training through mission trips or service projects. Yet others focus all their efforts on attracting people to a large group gathering to hear biblical teaching and preaching. But does one size really fit everyone? Based on careful biblical study and years of experience making disciples in the local church, Bobby Harrington and Alex Absalom have identified five key relationships where discipleship happens in our lives. In each relational context we need to understand how discipleship occurs and we need to set appropriate expectations for each context. *Discipleship That Fits* shows you the five key ways discipleship occurs. It looks at how Jesus made disciples and how disciples were formed in the early church. Each of the contexts is necessary at different times and in different ways as a person grows toward maturity in Christ: Public Relationships: The church gathering corporately for worship Social Relationships: Networks of smaller relationships where we engage in mission and live out our faith in community Personal Relationships: Small groups of six to sixteen people where we challenge and encourage one another on a regular basis Transparent Relationships: Close relationships of three to four where we share intimate details of our lives for accountability The Divine Relationship: Our relationship with Jesus Christ where we grow through the empowering presence of the Holy Spirit Filled with examples and stories, Alex and Bobby show you how to develop discipleship practices in each relational context by sharing how Jesus did it, how the early church practiced it, and how churches are discipling people today.

real life discipleship training manual pdf: *Power Evangelism* John Wimber, Kevin Springer, 2009-05-01 The message of Power Evangelism has been embraced around the world, and the book that started it all has become a classic, with more than one million sold. In 2006, Christianity Today named it one of the 50 most significant Christian books to be published in the last 50 years. This revised and updated edition describes the releasing of God's power through signs and wonders to refresh, renew, heal and equip His people. Drawing from the teaching of the New Testament and with illustrations from his own experience, Vineyard leader John Wimber persuades the reader to "yield control of our lives to the Holy Spirit." Though Wimber died in 1997, his teaching continues to spread throughout the Vineyard movement, through the broader renewal movement and to Christians across the globe, even those who do not consider themselves Charismatic. Co-author Kevin Springer—also a Vineyard pastor—has found that in the years since its first publication, Power Evangelism has only grown, and the results continue to be explosive. This edition includes a chapter-by-chapter study guide and reflects changes Springer and other power evangelism practitioners have made in presentation—not in content—for readers in the new millennium.

real life discipleship training manual pdf: Emotionally Healthy Discipleship Peter Scazzero, 2021-03-30 The global church is facing a discipleship crisis. Here's how we move forward into transformative discipleship... Pastors and church leaders want to see lives changed by the gospel. They work tirelessly to care for people, initiate new ministries, preach creatively, and keep up with trends. Sadly, much of this effort does not result in deeply changed disciples. Traditional discipleship strategies fail because they only address surface issues and do not go deep enough into the emotional health of individuals. But transformative, emotionally healthy discipleship is a methods-based biblical theology that, when fully implemented, informs every area of a church, ministry, or organization. It is a discipleship structure built from the center that: Slows down our lives so we can cultivate a deep, personal relationship with Jesus. Challenges the values of Western culture that have compromised the radical call to follow the crucified Jesus. Integrates sadness, loss, and vulnerability, that, when left out, leave people defensive and easily triggered. Acknowledges God's gift of limits in our lives. Connects how our family and personal history influence our discipleship in the present. Measures our spiritual maturity by how we are growing in our ability to love others. In Emotionally Healthy Discipleship, bestselling author Pete Scazzero takes leaders step-by-step through how to create an emotionally healthy culture and multiply deeply-changed people in every aspect of church life, including: Leadership and team development Marriage and single ministry Small groups and youth and children's ministry Preaching, worship, and administration Outreach Complete with assessments and practical strategies, Emotionally Healthy Discipleship will help you move people to the beneath-the-surface discipleship that actually has the power to change the world. **Winner of the 2022 ECPA Christian Book Award for Ministry Resources**

real life discipleship training manual pdf: The Spiritual Mentor Jim Grassi, 2013-11-26 There is nothing more fundamental to the Christian faith and to building godly men than discipleship. In today’s vernacular, discipleship would best be described as “Spiritual Mentoring.” Why are discipleship and mentoring so important? How does discipleship connect to the struggles men face today? Discipleship is a relational process that requires people to become actively involved in their faith. Devoted and active men can change the direction of our culture. Most importantly, God has commanded men to be the leaders in the home, church, and community. Authentic discipleship is about developing a caring concern and a genuine love for others through modeling Christ-like attitudes and behavior in the context of relational environments. A fresh approach is needed to define, implement, and equip men with a passion to make disciples. It starts with relationship. Because it all starts with the individual, we must see one-on-one discipleship as the primary objective to begin the revolution. The Spiritual Mentor will explain how men can rescue their faith and how spiritual mentors must play a critical role in bringing the church back to its original purpose. Features include: Metaphors, anecdotes, and practical applications Practical tools for becoming a spiritual mentor Discussion questions Dr. Jim Grassi has captured the essence of what is happening today with men in the church and defined logical and practical steps to get back on course of men gaining a closer relationship with God in the mentoring and discipleship process. Dr. Grassi illustrates the how to thru practical examples of situations we all know and can relate. Dr. Grassi sets the tone for a modern day Haggai in being strong and staying courageous, putting in the effort by serving and working at the process, and lastly knowing that God never leaves your side and is always with you. This book is a must read and must have for reference of every men's ministry leader. - Darrel Billups, NCMM, Executive Director Our men’s small group just finished reading and discussing The Spiritual Mentor. We found the book to be challenging, informative and very practical. The stories and illustrations are captivating, giving insight into principles and techniques of discipleship. As fathers and grandfathers, we want to first be a positive influence on our families and then on others with whom we come in contact. This book has raised the level of our awareness of the responsibility and opportunity to serve God in fulfilling the most important directive given us by our Lord: to make disciples. Thank you for sharing your insight and experiences with us. - Norman Thomas, Administrative Pastor, Valley Assembly

real life discipleship training manual pdf: Workers in Training Manual Enoch Adeboye, Joseph B Omosigho, 2016-08-04 Commitment to the Almighty God is the highest priority for the Christian and it cannot be taken lightly because of its eternal implications. There should be assurance of salvation that is Bible based, which lasts forever. There is a need for an extra spiritual effort on the souls saved to get them established, localised in a church fellowship and mobilised until they too become soul winners. It is not enough for the believer in Christ to go forth and bear fruits in obedience to the Lord's command but must also ensure that the fruits abide. This is why the Workers-in-Training programme is packaged to equip believers for service unto God and the edification of the body of Christ. Our prayer is that at the end of these teachings, you would have become a true Christian, on fire for God and ready to take up mountains. God bless you as you get empowered for the work of ministry, in Jesus name. Amen
