It Is Remarkable That Despite The Paucity Of Published Material, The Comparative Absence Of Structural Linguistic Models For The Study Of Languages And Theoretical Paradigms, The Late Professor Stutterheim Employs The Tools Of Structural Linguistic Analysis, Comparative Literature, And Historical Reconstruction. This Is A Far More Challenging Task Than Descriptive Archaeology And Stylistic Analysis. Fundamental To This Is His Ability To Correlate And Reevaluate The Relationship Between The Written Texts And Oral Transmission. While All This Is Very Familiar To Contemporary Scholarship, A Reading Of This Monograph Convinces One That Professor Stutterheim Anticipated Modern Scholarship By Many Decades. His Concern Was Not Restricted To

The Archaeological Features Of This Group Of Temples But Went Much Further Into Interpretation And Identification Of The Historical Processes Of Acculturation, Diffusion And Autochthonous Tendencies. Along With The Late Professor D.C. Sen, He May Be Considered The First Scholar To Draw Attention To The Role Of The Oral Enunciation Of The Rama Legends In Different Parts Of Asia. In This Monograph He Forcefully Argues That Valmiki S Ramayana Was Not The Basis Of The Indonesian Versions And Disagrees With The Hypothesis That Kamban Provided A Model Or Even That Hanuman-Nataka Was The Original Source. He Comes To The Interesting Conclusion That Perhaps Gujarat Was The Source. Much Has Been Written On The Subject During The Past Few Decades, However, Professor Stutterheim S Argument Remains Fresh. Perhaps Scholars Will Want To Re-Explore The Sources Of The Gujarati Version Of The Ramayana As Also The Panji Stories Of Java. The Monograph Will Also Stimulate Discussion Of A Most Contemporary Concern, I.E., The Relationship Of The Text And The Image: The Adherence, The Interpretations And The Deviations. Of Late, Many Art Historians Have Been Concerned In Their Respective Ways To Analyse The Interface Of Text And Image. The Monograph Is Of Immediate Contemporary Relevance As Theoretical Model For Modern Scholarship.

ram raksha stotra sanskrit pdf: My Transportation For Life Veer Savarkar, 2021-01-19 The story is told. The curtain has been brought down on it. Two life-sentences have been run. And I have brought together my recollections of them within the cover of this book. They are narrated in brief and put together within the narrowest. When I came into this world, God sent me here possibly on a sort of life-sentence. It was the span of life allotted to me by time to stay in this 'prison-house of life'. This story is but a chapter of that book of life, which is a longer story not yet ended. You can finish reading the book in a day, while I had to live it for 14 long years of transportation. And if the story is so tiresome, unendurable and disgusting to you, how much must have been the living of it for me! Every moment of those 14 years in that jail has been an agony of the soul and the body to me, and to my fellow convicts in that jail. It was not only fatiguing, unbearable and futile to us all, it was equally or more excruciating to them as to me. And it is only that you may know it and feel the fatigue, the disgust and the pain of it as we have felt it, that I have chosen to write it for you. —Excerpts from this book This is the story of Swatantrayaveer Vinayak Damodar Savarkar—a great revolutionary, politician, poet and seer who tried to free India from the British yoke! British policy was to torture and persecute the political prisoners/revolutionaries so that they would reveal the names of all their colleagues or go mad or commit suicide. My Transportation for Life is a firsthand story of the sufferings and humiliation of an inmate of the infamous Cellular Jail of Andamans, the legendary Kala Paani. The physical tortures inside the high walls were made all the more insufferable by the sickening attitude of the men who mattered—the native leaders back home. This is a running commentary on the prevalent political conditions in India and a treatise for students of revolution. It is a burning story of all Tapasvis who were transported to Andaman. My Transportation For Life by Veer Savarkar: This book is an autobiographical account by the renowned Indian freedom fighter Vinayak Damodar Savarkar, commonly known as Veer Savarkar. In his memoir, Savarkar recounts his experiences as a political prisoner in British colonial India, his transportation to the infamous Cellular Jail in the Andaman and Nicobar Islands, and his enduring struggle for India's independence. Key Aspects of the Book My Transportation For Life by Veer Savarkar: Political Imprisonment: Veer Savarkar provides a firsthand account of his imprisonment, torture, and life in the notorious Cellular Jail, shedding light on the harsh conditions faced by freedom fighters during the colonial era. Struggle for Independence: The book delves into Savarkar's unwavering commitment to the cause of Indian independence and his enduring spirit even in the face of adversity. Historical Significance: Veer Savarkar's memoir is a valuable historical document that offers insight into the life and sacrifices of one of India's prominent freedom fighters, making it an essential read for those interested in Indian history. Veer Savarkar was a prominent Indian freedom fighter, poet, and writer born in 1883. He played a pivotal role in the struggle for India's independence from British rule. His early activism, writings, and political activities led to his arrest and transportation to Cellular Jail in 1909. Despite enduring immense hardships, Savarkar continued to inspire generations with his unwavering commitment to the cause of India's freedom. My Transportation For Life by Veer Savarkar offers a unique perspective on the life and struggles of this legendary freedom fighter.

Chalisa authored by Goswami Tulsidas is one of the most popular Hindu devotional hymns. The 'Mahaviri' Hindi commentary (1984) by Swami Rambhadracharya has been acclaimed as the best treatise on the Hanuman Chalisa. This book presents an annotated and expanded English translation of the 'Mahaviri' commentary by Nityanand Misra. Each of the 43 verses of the 'Hanuman Chalisa' is explained in three stages. The first phase being a word-for-word translation to help the reader understand the literal meaning of each word in a verse. The second is a simple English translation of each verse. This third and final phase is an informed commentary on the true meaning of the verse, explaining the deep essence of the text with citations from authoritative Hindu scriptures (the Vedas, Upanishads, Puranas, Ramayana, Mahabharata, Gita, etc.) and other works of Goswami Tulsidas. All such citations are also translated into English. Following the commentary, Misra also provides five useful appendices for advanced readers. These include more than 120 endnotes (annotations), a detailed note on the prosody and rhythm of all the verses for chanters, the musical notation of the traditional melody of the Hanuman Chalisa for devotional singers and instrumentalists, and two alphabetical indexes for all words and verses used in the hymn. The book is a must-have for reciters and singers of the Hanuman Chalisa who want to understand the deep essence of Tulsidas's timeless hymn to Hanuman. It targets laypersons as well as scholarly readers. The design of the book, including font sizes and line spacing, is suitable for the elderly as well. The book has reached thousands of readers across the globe and has been praised as "the most comprehensive guide to the Hanuman Chalisa available in English". It has been loved by readers for not only its scholarship and research, but also for its beautiful production, aesthetic typeface, attractive layout, and excellent footnotes and appendices.
