rider waite tarot deck pdf: *The Esoteric Tarot* Ronald Decker, 2013-07-15 That the Tarot originated in ancient Egypt as a divinatory tool is a romantic misconception. Ron Decker's meticulous scholarship will surprise practitioners and academics alike, revealing the Tarot's true evolution and meanings as its inventor(s) understood it. The Tarot consists of the Minor Arcana, four suits of cards similar to our modern deck, and the Major Arcana, twenty-two allegorical or "trump" cards. Decker says the four-suit deck was invented in Asia Minor before AD 1000; Italian courtiers added the trumps in the 1400s. But Tarot was first used as a game. Tarot divination was only created in the 1700s by a Parisian fortuneteller who based the trump images on Hermeticism, which merges Greco-Egyptian alchemy, astrology, numerology, magic, and mysticism. Today, the suit-cards are often traced to the ancient Jewish Cabala. But, says Decker, they, too, acquired their meanings only in the 1700s, and he cites a lost numerical system based on Cabala at that time Decker's interpretation integrates three whole systems-astrological, arithmological, mystagogical (concerning initiation rites into the Mysteries). His depth of knowledge makes the book a must-have for serious students of Tarot and esotericism

rider waite tarot deck pdf: *Meditations on the Tarot* , 2005-08-25 Now in a fully corrected edition, one of the true spiritual classics of the twentieth century. Published for the first time with an index and Cardinal Hans Urs von Balthasar's afterword, this new English publication of *Meditations on the Tarot* is the landmark edition of one of the most important works of esoteric Christianity. Written anonymously and published posthumously, as was the author's wish, the intention of this work is for the reader to find a relationship with the author in the spiritual dimensions of existence. The author wanted not to be thought of as a personality who lived from 1900 to 1973, but as a friend

who is communicating with us from beyond the boundaries of ordinary life. Using the 22 major arcana of the tarot deck as a means to explore some of humanity's most penetrating spiritual questions, *Meditations on the Tarot* has attracted an unprecedented range of praise from across the spiritual spectrum.

rider waite tarot deck pdf: The Way of Tarot Alejandro Jodorowsky, Marianne Costa, 2009-11-17 Filmmaker Alejandro Jodorowsky's insights into the Tarot as a spiritual path • Works with the original Marseille Tarot to reveal the roots of Western wisdom • Provides the key to the symbolic language of the Tarot's "nomadic cathedral" • Transforms a simple divination tool into a vehicle for self-realization and healing Alejandro Jodorowsky's profound study of the Tarot, which began in the early 1950s, reveals it to be far more than a simple divination device. The Tarot is first and foremost a powerful instrument of self-knowledge and a representation of the structure of the soul. The Way of Tarot shows that the entire deck is structured like a temple, or a mandala, which is both an image of the world and a representation of the divine. The authors use the sacred art of the original Marseille Tarot--created during a time of religious tolerance in the 11th century--to reconnect with the roots of the Tarot's Western esoteric wisdom. They explain that the Tarot is a "nomadic cathedral" whose parts--the 78 cards or "arcana"--should always be viewed with an awareness of the whole structure. This understanding is essential to fully grasp the Tarot's hermetic symbolism. The authors explore the secret associations behind the hierarchy of the cards and the correspondences between the suits and energies within human beings. Each description of the Major Arcana includes key word summaries, symbolic meanings, traditional interpretations, and a section where the card speaks for itself. Jodorowsky and Costa then take the art of reading the Tarot to a depth never before possible. Using their work with Tarology, a new psychological approach that uses the symbolism and optical language of the Tarot to create a mirror image of the personality, they offer a powerful tool for self-realization, creativity, and healing.
