The Pursuit of God: A Lifelong Journey of Faith

The pursuit of God is a timeless theme that resonates across cultures and religions. This profound yearning for connection with the divine is a fundamental aspect of the human experience, driving individuals to seek meaning, purpose, and ultimately, a deeper understanding of themselves and the universe. This ebook, "The Pursuit of God," delves into this essential quest, exploring various perspectives, challenges, and practical strategies for cultivating a vibrant relationship with the divine.

Understanding the Divine Nature (Chapter 1)

Before embarking on a journey, it's crucial to understand the destination. Similarly, understanding the nature of God is paramount in the pursuit of God. This chapter explores the multifaceted nature of the divine as understood across different theological traditions. We delve into the attributes of

God – omnipotence, omniscience, omnibenevolence – examining how these characteristics are interpreted and experienced within various faith systems. We explore the concept of God's immanence (God's presence within creation) and transcendence (God's existence beyond the limitations of the physical world), highlighting the apparent paradox and the rich tapestry of theological thought it creates. Different theological perspectives, such as those found in Christianity, Islam, Judaism, and Hinduism, are compared and contrasted, showing the common ground and unique nuances in the understanding of the Divine. The chapter concludes by emphasizing the importance of approaching the concept of God with humility and a willingness to grapple with the mysteries of faith. This understanding forms the bedrock for a meaningful pursuit.

Obstacles to Finding God (Chapter 2)

The path to spiritual growth is rarely straightforward. This chapter explores the common obstacles that hinder the pursuit of God. These challenges can be internal, stemming from personal doubts, fears, and past hurts, or external, originating from societal pressures, distractions, and misunderstandings. Internal obstacles might include feelings of unworthiness, anger towards God, or a lack of faith. External obstacles might encompass challenging life circumstances, societal expectations that conflict with spiritual values, or a lack of supportive community. We delve into the psychology of belief and the impact of past experiences on one's spiritual journey. Specific examples are provided, and practical strategies for overcoming these hurdles are suggested, including seeking guidance from spiritual mentors, engaging in self-reflection, and cultivating forgiveness. The chapter concludes by emphasizing the importance of self-awareness and seeking help when needed, recognizing that the journey is not a solitary one.

Practical Steps in the Pursuit (Chapter 3)

This chapter offers practical, actionable steps for deepening one's relationship with God. It moves beyond theoretical concepts and delves into the tangible practices that nurture spiritual growth. We explore various methods, including:

Prayer: Different styles of prayer are discussed, from formal liturgical prayers to spontaneous conversations with God. The importance of consistent prayer and listening to God's response is highlighted.

Meditation: Techniques for centering oneself and connecting with the divine through mindfulness and contemplative practices are introduced.

Scripture Study (or Sacred Texts): The chapter examines how engaging with religious texts can provide spiritual nourishment, guidance, and a deeper understanding of God's character and will. Different approaches to studying scripture are presented.

Service to Others: The chapter stresses the importance of selfless service as a pathway to spiritual growth and a tangible way of expressing love for God and others. The connection between serving others and experiencing God's presence is highlighted.

Community Engagement: The significance of building a supportive spiritual community is emphasized, highlighting the benefits of shared faith and mutual support.

The chapter concludes by encouraging readers to experiment with different approaches, finding the methods that best resonate with their individual needs and spiritual temperament.

Experiencing God's Presence (Chapter 4)

This chapter focuses on the transformative power of experiencing God's presence. It explores personal accounts and theological insights on what it means to encounter the divine. We examine diverse experiences, from moments of profound peace and joy to times of challenge and testing, illustrating how God's presence can be experienced in both joy and suffering. We delve into mystical traditions and the concept of spiritual awakening, examining how individuals have described their encounters with the divine. The chapter also addresses the challenges of interpreting these experiences, emphasizing the need for discernment and humility. It emphasizes that experiences of God's presence are often personal and unique, shaped by individual faith and life experiences. The chapter concludes by highlighting the importance of cultivating an attitude of openness and receptivity to God's presence in everyday life.

The Ongoing Journey (Chapter 5)

The pursuit of God is not a destination but a lifelong journey. This concluding chapter emphasizes the continuous nature of spiritual growth and the importance of perseverance. It addresses the inevitable challenges and setbacks that arise along the way, offering encouragement and practical advice for navigating difficult periods of faith. The chapter discusses the importance of self-compassion and accepting imperfections in the journey. It concludes with a call to continue seeking God, fostering a deeper understanding of the divine, and living a life that reflects one's faith. The chapter offers final reflections on the transformative power of pursuing God and provides a renewed sense of hope and purpose for the reader's continued spiritual growth.

Conclusion

This ebook, "The Pursuit of God," serves as a guide and encouragement for those seeking a deeper relationship with the divine. It's a journey of self-discovery, spiritual growth, and ultimately, a closer connection with the source of all love and meaning. The path may be challenging, but the rewards are immeasurable.

the pursuit of god pdf: *The Pursuit of God* A. W. Tozer, 2022-05-28 *The Pursuit of God* is a series of sermons by A.W. Tozer. They focus on fighting and staying clear from Satan while opening hearts and minds to the saving force of God.

the pursuit of god pdf: *The Pursuit of God with Study Guide* A. W. Tozer, 2006-01-01 Sometimes the voices that speak most clearly in the present are those that echo from the past. So it is in this Christian classic by the late pastor and evangelist A. W. Tozer. In *The Pursuit of God*, Tozer brings the mystics to bear on modern spirituality, grieving the hustle and bustle and calling for a slow, steady gaze upon God. With prophetic vigor and flowing prose, he urges us to replace low thoughts of God with lofty ones, to quiet our lives so we can know God's presence. He reminds us that life apart from God is really no life at all. Tozer's bestseller, this book has been called one of the all-time most inspirational books by a panel of Christian magazine writers. And with this study guide, ideal for group or individual use, reflection and discussion questions will help you internalize the content and apply it to your life.

the pursuit of god pdf: *Voice of a Prophet* A.W. Tozer, 2014-05-29 During his ministry, which included extended pastorates in Chicago and Toronto, Dr. Tozer was often referred to as a prophet. That doesn't mean he predicted future events, but rather he spoke God's truth to believers and the culture, even if it meant disrupting the status quo. Even in the Bible, prophets were much more likely to hold God's people and their leaders accountable to the truth of God's Word than to foretell the future. The encouragement in *Voice of a Prophet* is that the church today is in desperate need of the kind of prophet Tozer embodied and describes in this important book. Using the lives of such prophets as Elijah, Elisha, and John the Baptist, Tozer underscores the importance of the ministry of the prophet in our world today.

the pursuit of god pdf: *The Knowledge of the Holy* Aiden Wilson Tozer, 1965 A leading American evangelical argues that our understanding of God's nature has become debased, and that modern Christianity needs to rediscover its concept of the holy and its sense of religious awe. Aimed at the general reader.

the pursuit of god pdf: *The Pursuit of Holiness* Jerry Bridges, 2016 This new edition replaces both *The Pursuit of Holiness* (ISBN 9781576839324) and the study guide (ISBN 9781576839881) by combining both resources into one volume *Be holy, for I am holy*, commands God. But holiness is something that is often missed in the Christian's daily life. According to Navigator author Jerry Bridges, that's because we're not exactly sure what our part in holiness is. In *The Pursuit of Holiness*, he helps us see clearly just what we should rely on God to do--and what we should take responsibility for ourselves. As you deepen your relationship with God, learn more about His character, and understand the Holy Spirit's role in holiness, your spiritual growth will mature. The included study guide contains 12 lessons.

the pursuit of god pdf: *God's Pursuit of Man* A. W. Tozer, 2015-04-17 Salvation is from our side a choice, from the divine side [...] a conquest of the Most High God. – A. W. Tozer With words like these, Tozer shakes the soul. He crumbles the lies we believe and calls us to the more sure way. In these pages, Tozer says what it means to truly be saved. It is not merely to assent to Jesus and go on our same old way, but to be conquered by the Almighty God and invaded by His Spirit. A saved person is a transformed person. Let Tozer upend you in this moving prequel to *The Pursuit of God*. And being upended, may you be found standing upright in an upside-down world.

the pursuit of god pdf: *The Pursuit of Happiness--God's Way* Servais Pinckaers, 2011-07-18 When we think of happiness, we have to admit that our idea is at times worldly and self-centered. Jesus in His Sermon on the Mount showed us that true happiness will elude us, however, if we follow that kind of thinking. And, in the form of a series of promises and challenges, which we have come to know as the Beatitudes, He told us how to find perfect happiness--both here and in the hereafter. In a world that is capable of the best and the worst, we all have reason to be concerned about the very

possibility of ever finding happiness in our lifetimes. The good news of the Gospel message is that we can. Even more, it teaches a way based not on rules and obligations so much as one founded on love, a way that depends upon and leads to the blessings of God Himself. These pages have been written in the conviction that every seeker should make the Sermon on the Mount the primary source of what will and will not make her happy. In His approach to the question, Jesus insists from the outset that we face up to the inevitable trials of life: poverty, tears, hunger and thirst, and shows us how we can find God--the source and object of our joy--in the midst of them.

the pursuit of god pdf: The Fire of God's Presence A.W. Tozer, 2020-09-15 Many people believe in God and believe that God is everywhere, but they have yet to experience his presence. What did it mean for Moses to encounter God at the burning bush? How did it change his life and his perception of God? What is keeping you from experiencing his presence in your life? It was in that burning bush experience that Moses began to understand and appreciate the sacredness of worship. Through this book, Tozer teaches how proper worship has to be equal to the one we are worshiping, so if we are worshiping God, we must do it on his terms. This means having a spirit of reverence and holiness--like Moses taking off his shoes and kneeling before him. The bush's fire did not frighten Moses, but rather it poured the essence of sacredness into his life, giving him an experience he had never had before. Let this book teach you how, like Moses, to kneel and worship before God's holy fire.

the pursuit of god pdf: *A Treatise of Earthly-Mindedness* Jeremiah Burroughs, 2012-04 In A Treatise of Earthly-mindedness, Puritan author Jeremiah Burroughs exposes many of the evils and dangers of being earthly minded. One of the evils brought out by the author is that earthly mindedness is the root of apostasy. He cites the example of Demas. The apostle Paul said that Demas forsook him because he loved this present world. Burroughs exposes the emptiness of worldly pleasures in favor of the heavenly vision that we all should have, and in good Puritan fashion, manages to lucidly address a hundred other essential topics in passing. Christ proclaimed that we are to seek first the Kingdom of God and His righteousness and to avoid being of the world and in this work one can discover the scriptural means of true joy and godly sanctification. This is the great difference between a wicked man and a godly man, write Burroughs, one minds earthly things, and the other has his conversation in heaven. Burroughs book is a real gem. Out of print from 1649 until now, its message needs to be read again in an age where worldliness abounds in the professing church.

the pursuit of god pdf: *The Life of A. W. Tozer* James L. Snyder, 2011-08 To understand the continued and far - reaching ministry of A. W. Tozer, it is important to know who he was, including his relationship with God. In *The Life of A. W. Tozer*, James Snyder lets us in on the life and times of a deep thinker who was not afraid to "tell it like it is" and never compromised his beliefs. A. W. Tozer's spiritual legacy continues today as his writings challenge readers to a deeper relationship and worship of God in reverence and adoration. Here is Tozer's life story, from boyhood and his conversion at the age of seventeen, to his years of pastoring and writing more than 40 books, at least two regarded as Christian classics that continue to appear on best seller lists today. Examining Tozer's life allows the reader to learn from a prophet with much to say against the compromises he observed in contemporary Christian living and the hope he found in his incredible God. "the Life of A. W. Tozer gives a behind the scenes look at the man and his message. We see God at work with hammer and chisel to shape Tozer's life into a vessel capable of influencing all who desire to walk with God. No single author has influenced me personally more than A. W. Tozer. I thank God for his influence on my life." Gary M. Benedict, President, The Christian and Missionary Alliance

the pursuit of god pdf: Worship A. W. Tozer, 2017-08-01 The best of A. W. Tozer, on one of

his favorite subjects Few subjects invigorated A. W. Tozer like the topic of worship. He saw it—like the church has traditionally—as the sole reason for which creation exists. *Worship: The Reason We Were Created* features collections from the beloved spiritual writer on this important topic. The church's current worship is emaciated; its thoughts of God are too low. Here is a compilation to raise those thoughts high once more, and provoke the church to true, spiritual worship. Topics include: The act and object of worship The Presence of God Worship throughout the week Feelings and emotion in worship Man as a worshipping creature If it's true that we are made to worship God, that it is the sole reason that we exist, that we are most alive when we live for His glory, then reading *Worship* is more than time well spent. It is time invested in the very foundation of your life.

the pursuit of god pdf: *The Purpose of Man* A. W. Tozer, 2010-10 The one great obsession of A.W. Tozer's life was worship. Many have written about worship, but Tozer surpassed them all in simple passion and supreme purpose. Compiled from material never before published, this book presents A.W. Tozer's systematic teaching on worship. His thoughts on the subject were deeply rooted in biblical doctrine and historic writings, blending Scripture with some of the great devotional writers throughout history. Be inspired to not only understand worship but also experience it in your own heart. This will be the best teaching in my ministry. I want to deliver my soul as a prophet of God to the people, and to explain why we were created and why we are here, not to the satisfaction of the needed appetite only but to something bigger, grander and more eternal, that we might worship God and enjoy Him forever.

the pursuit of god pdf: *Exceedingly Growing Faith* Kenneth E. Hagin, 1990 This classic treasury of messages on faith can help believers understand the basic principles vital to the lifestyle of faith.

the pursuit of god pdf: *The Crucified Life* A.W. Tozer, 2011-09-09 What Does it Mean to Be Crucified With Christ? During his lifetime, renowned teacher A.W. Tozer was often invited to speak at seminaries, churches, and Bible conferences on the topic of the cross and its meaning for the Christian life. Now, in this never-before-published distillation of his best teaching on the subject, you will gain a fresh understanding of the cross's centrality to your walk of faith in Christ. The apostle Paul declared in his letter to the Galatians that he had been crucified with Christ. But what does this mean? Is this a claim every believer can and should make? *The Crucified Life* is a comprehensive examination of these questions, answered with the deep, biblical thinking for which Tozer was revered. God is ingenious in developing crosses for His followers, Tozer was fond of saying. At the heart of this book, you will find a call to follow Christ to the cross and be raised to new life—a call to live the crucified life.

the pursuit of god pdf: *God Tells the Man Who Cares* A. W. Tozer, 2006-11-30 God has nothing to say to the frivolous man. — A. W. Tozer Tozer states this bluntly in the book's beginning, and he carries the sentiment through the last chapter. In *God Tells the Man Who Cares*, Tozer urges the believer to be vigilant in his pursuit of God's voice in his life. He reminds us that stillness and meditation on the Spirit of God may be more spiritually profitable than the front of religion that is so prevalent in modern society. Stillness is the quality that is so often lost in the business of today's

world. To be still and know that He is God is an old truth that is much quoted but rarely lived. Tozer's convicting voice will bring you to a new and humbling place in your relationship with the Lord. He invites you to lay your emotions at God's feet, provides insight into the true nature of a servant's heart, and decries many aspects of institutionalized Christianity, warning against artificial religion with these words: "[It] is a disease of the soul, and can only be healed by the Physician of souls.

the pursuit of god pdf: Pursuit of the Holy Corey Russell, 2006-12-01 How do we gain a living, breathing understanding of God? In Proverbs 2, God has laid out a road map to knowing Him: meditation on the Word of God, intercession, and living the fasted lifestyle. IHOPKC staff member Corey Russell explores the depths of knowledge available to us through the Word of God and through the Holy Spirit. His book invites us into a lifelong pursuit of God's heart

the pursuit of god pdf: The Sovereignty of God A. W. Pink, 2016-10-04 From every pulpit in the land it needs to be thundered forth that God still lives, that God still observes, that God still reigns. Faith is now in the crucible, it is being tested by fire, and there is no fixed and sufficient resting place for the heart and mind but in the throne of God. What is needed now, as never before, is a full, positive, constructive setting forth of the Godhood of God. —A. W. Pink, *The Sovereignty of God* Who is actually in control of this world? Man? The devil? God? In this unabridged, best-selling classic, A. W. Pink tackles such profound questions in straight-forward language that the average Christian will find not only understandable but totally engaging. Pink explains that God's sovereignty is characterized in creation and in salvation, and then he describes its relationship to human will. Finally, Pink addresses the proper attitude believers should take toward God's sovereignty. Ultimately, Pink strongly believed that true faith rests not in the wisdom of men but in the power of God. Pink was a student of theologians like St. Augustine, St. Aquinas, Calvin, and Jonathan Edwards, and his writing reflects it. Today, he is considered one of the most influential evangelical authors in the twentieth century.

the pursuit of god pdf: Jesus Came to Save Sinners Charles H. Spurgeon, 2017-04-01 This is a heart-level conversation with you, the reader. Every excuse, reason, and roadblock for not coming to Christ is examined and duly dealt with. If you think you may be too bad, or if perhaps you really are bad and you sin either openly or behind closed doors, you will discover that life in Christ is for you too. You can reject the message of salvation by faith, or you can choose to live a life of sin after professing faith in Christ, but you cannot change the truth as it is, either for yourself or for others. As such, it behooves you and your family to embrace truth, claim it for your own, and be genuinely set free for now and eternity. Come, and embrace this free gift of God, and live a victorious life for Him.

the pursuit of god pdf: Crazy Love Francis Chan, 2013-04-01 Revised & Updated Edition! God is love. Crazy, relentless, all-powerful love. Have you ever wondered if we're missing it? It's crazy, if you think about it. The God of the universe—the Creator of nitrogen and pine needles, galaxies and E-minor—loves us with a radical, unconditional, self-sacrificing love. And what is our typical response? We go to church, sing songs, and try not to cuss. Whether you've verbalized it yet or not, we all know something's wrong. Does something deep inside your heart long to break free from the status quo? Are you hungry for an authentic faith that addresses the problems of our world with tangible, even radical, solutions? God is calling you to a passionate love relationship with Himself.

Because the answer to religious complacency isn't working harder at a list of do's and don'ts—it's falling in love with God. And once you encounter His love, as Francis describes it, you will never be the same. Because when you're wildly in love with someone, it changes everything. the pursuit of god pdf: Daniel, Man of God Dwight L. Moody, 2018-09-01 Original Title: Daniel the Prophet. New, updated edition. Riches and honour and life are the remuneration of humility and of the fear of the LORD. – Proverbs 22:4 God will exalt us when the time is right. We needn't try to promote ourselves; we needn't struggle for position. Let God put us where He wants us and let us be true to God. It is better for a man to be right with God, even if he holds no great earthly position. It is honest and humble men whom God will promote, if He so desires. This study illustrates what Daniel did, and also what Daniel didn't do, which caught the attention of God and kings alike. Few are the men in history of Daniel's caliber, even though the principles he followed can be implemented by all. Are you ready to be a truly great man, one that will cause God and men to take notice?

the pursuit of god pdf: Prayer A. W. Tozer, 2016-01-20 Some churches now advertise courses on how to pray. How ridiculous! That is like giving a course on how to fall in love. —A. W. Tozer Tozer understood prayer as few do: as a way of life. Now readers can share that same grand vision. Prayer combines the best of Tozer on prayer into one volume. Tozer was captured by the great wonder of God, and he regarded prayer as the primary means of coming into His presence. But if our everyday life is filled with the barrenness of busyness and there is no serious urgency to pray, we forfeit the wonder of being conformed to the image of Christ and knowing our God more intimately—the true Christian life. Prayer is doable. God is accessible. And Tozer provides the wisdom and encouragement to help us encounter Him daily. With commentary and reflection questions provided by compiler W.L. Seaver, Prayer takes our understanding of prayer to new depths and helps us have a life that prays.

the pursuit of god pdf: In Pursuit of the Almighty's Dollar James Hudnut-Beumler, 2007-03-05 Every day of the week in contemporary America (and especially on Sundays) people raise money for their religious enterprises—for clergy, educators, buildings, charity, youth-oriented work, and more. In a fascinating look into the economics of American Protestantism, James Hudnut-Beumler examines how churches have raised and spent money from colonial times to the present and considers what these practices say about both religion and American culture. After the constitutional separation of church and state was put in force, Hudnut-Beumler explains, clergy salaries had to be collected exclusively from the congregation without recourse to public funds. In adapting to this change, Protestants forged a new model that came to be followed in one way or another by virtually all religious organizations in the country. Clergy repeatedly invoked God, ecclesiastical tradition, and scriptural evidence to promote giving to the churches they served. Hudnut-Beumler contends that paying for earthly good works done in the name of God has proved highly compatible with American ideas of enterprise, materialism, and individualism. The financial choices Protestants have made throughout history—how money was given, expended, or even withheld—have reflected changing conceptions of what the religious enterprise is all about. Hudnut-Beumler tells that story for the first time.

the pursuit of god pdf: A Cloud by Day, a Fire by Night A.W. Tozer, 2019-03-05 How can I know God's will for me, personally? It's a question that haunts us all at times—maybe when we're looking for the right job, thinking about moving to a new city, or deciding whether or not to get married. At every stage we have difficult decisions to make, and we long for God's direction and his warm reassurance that we're heading the right way. A Cloud by Day, a Fire by Night captures Tozer's teaching on the will of God taken from sermons he preached just before he left his successful church in Chicago. Tozer was no stranger to facing difficult decisions, and his wisdom and biblical insight will help guide you in decisions of your own. The title comes from the story of God leading his people out of Egypt into the promised land. In the same way, let this book help reveal where he is leading and reassure you that he will be by your side every step of the way.

the pursuit of god pdf: *Man - The Dwelling Place of God* A W Tozer, 2020-07-14 Aiden Wilson Tozer (April 21, 1897 - May 12, 1963) was an American Christian pastor, author, magazine editor, and spiritual mentor. For his work, he received two honorary doctoral degrees. Tozer hailed from a tiny farming community in western La Jose, Pennsylvania. He converted to Christianity as a teenager, in Akron, Ohio; while on his way home from work at a tire company, he overheard a street preacher say, 'If you don't know how to be saved ... just call on God, saying, 'Lord, be merciful to me a sinner.' Upon returning home, he climbed into the attic and heeded the preacher's advice. In 1919, five years after his conversion and without formal theological training, Tozer accepted an offer to serve as pastor of his first church. That began 44 years of ministry, associated with the Christian and Missionary Alliance (C&MA), a Protestant Evangelical denomination, 33 served as a pastor in a number of churches. His first pastorate was in a small storefront church in Nutter Fort, West Virginia. Tozer also served as pastor for 30 years at Southside Alliance Church, in Chicago (1928 to 1959), and the final years of his life were spent as pastor of Avenue Road Church, in Toronto, Ontario, Canada. In observing contemporary Christian living, he felt the church was on a dangerous course toward compromising with worldly concerns. Born into poverty, Tozer was self-educated and taught himself what he missed in high school and college. In May 1950, Tozer was elected as the editor of the Alliance Weekly magazine, now Alliance Life, a role he filled until his death in 1963. Alliance Life is the official publication of the C&MA and is currently a bi-monthly magazine. From his first editorial, titled Quality vs Quantity dated June 3, 1950, Tozer wrote, 'It will cost something to walk slow in the parade of the ages, while excited men of time rush about confusing motion with progress. But it will pay in the long run and the true Christian is not much interested in anything short of that. Among the more than 60 books that bear his name, most of which were compiled after his death from sermons he preached and articles he wrote, at least two are regarded as Christian classics: *The Pursuit of God* and *The Knowledge of the Holy*. Many of his books impress on the reader the possibility and necessity for a deeper relationship with God. (wikipedia.org)

the pursuit of god pdf: *Total Commitment to Christ* A. W. Tozer, 2018-01-03 This booklet deals with what it means to be crucified with Christ in terms of Christian commitment. Are you attached to Christ exclusively, irrevocably, with no turning back? Are you attached to Christ at all? Or do you only follow him for his benefits?

the pursuit of god pdf: *Complete Works of A. W. Tozer* A. W. Tozer, 2004-01-01

the pursuit of god pdf: *The Divine Conquest* A. W. Tozer, 2020-04-02 This little book of the spiritual way has not been 'made' in any mechanical sense; it has been born out of inward necessity. At the risk of getting myself into doubtful company I might claim for myself the testimony of Elihu, the son of Barachel the Buzite, of the kindred of Ram, 'For I am full of matter, the spirit within me constraineth me'. And his fear that if he did not speak he must, as a new bottle, 'burst asunder' is well understood by me. The sight of the languishing church around me and the operations of a new spiritual power within me have set up a pressure impossible to resist. Whether or not the book ever reaches a wide public, still it has to be written if for no other reason than to relieve an unbearable burden on my heart.

the pursuit of god pdf: *Jesus, Author of Our Faith* Aiden Wilson Tozer, Gerald B. Smith, 1988 Tozer urges readers to keep Jesus in view regardless of what others are doing and to concentrate on the necessity of having and maintaining an active, abiding faith in Him.

the pursuit of god pdf: *The Pursuit of His Calling* Florence Muindi, 2008 It was two in the morning and I was sobbing uncontrollably. I had been on my knees since 10 p.m. that night. I reached for my diary above the side table of my high school dormitory bed and with trembling hands opened to November 19, 1981. Then I took a pen and held it tight as if fearing someone might try to pull it out of my hands. Part of me did not want to do it. But this was the day and the hour. I surrendered all my rights. I gave God all I am and will ever be. I allowed Him to own me. I put an end to my kingdom and ushered in His. Whatever that would mean, I gave in. I wrote down my covenant with God and signed it, so I wouldn't forget. I even sealed this covenant with my very life, just in case I was tempted to change my mind. From that position, and with a purpose, I graduated

from high school. This book is the testimony of what led to such a commitment by the then twenty-year-old girl. She has pursued God, bound by that covenant for the last twenty seven years. She narrates the directions her life has taken driven by that one purpose. It is an adventure story following as God guides and a witness to how God intervenes to cause His will to be done. Following His purpose in covenant for 27 years!
