

the laramie project pdf

the laramie project pdf is a sought-after resource for students, educators, and theater enthusiasts interested in the groundbreaking play that explores the aftermath of the brutal hate crime against Matthew Shepard in Laramie, Wyoming. This article provides a comprehensive overview of the laramie project pdf, detailing its content, availability, and significance in contemporary theater and social studies. Understanding the structure and themes of the play through the pdf format allows for easier access and educational use. Additionally, the article outlines the key elements of the play, including its narrative style, characters, and real-life interviews that form the foundation of the script. By examining the laramie project pdf, readers gain insight into the play's impact on discussions about hate crimes, LGBTQ+ rights, and community responses to tragedy. This article also addresses common questions regarding where to find the laramie project pdf legally and how it is utilized in various academic and theatrical settings. The following sections offer a detailed guide to the content, significance, and practical applications of the laramie project pdf.

- Overview of The Laramie Project
- Content and Structure of the Laramie Project PDF
- Availability and Legal Access to The Laramie Project PDF
- Educational and Theatrical Uses of The Laramie Project PDF
- Impact and Themes Explored in The Laramie Project

Overview of The Laramie Project

The Laramie Project is a critically acclaimed play written by Moisés Kaufman and members of the Tectonic Theater Project. It is based on the real-life events surrounding the 1998 murder of Matthew Shepard, a young gay man in Laramie, Wyoming. The play is constructed from interviews, news reports, and journal entries collected by the theater group during their visit to Laramie. This verbatim theatre approach provides a powerful and authentic narrative that captures the community's reaction to the tragedy. The Laramie Project has been widely studied for its social commentary and its innovative documentary style.

Historical Context

The murder of Matthew Shepard shocked the nation and brought attention to

hate crimes motivated by sexual orientation. The Laramie Project encapsulates this moment in American history by presenting multiple perspectives from the residents of Laramie, law enforcement officials, and activists. The play highlights the complexities of prejudice, forgiveness, and social change. The laramie project pdf offers readers a direct way to engage with this historical context through the original text of the play.

Authors and Development

The play was developed by Moisés Kaufman and the Tectonic Theater Project, who conducted extensive interviews in Laramie shortly after the murder. Their method involved compiling real testimonies into a cohesive script, with actors portraying various community members. This collaborative creation process is a hallmark of The Laramie Project and is documented in the pdf version, which preserves the integrity of the original text and format for study and performance.

Content and Structure of the Laramie Project PDF

The laramie project pdf contains the full script of the play, including dialogue, stage directions, and notes from the creators. It is structured into three acts that chronologically follow the events before, during, and after the murder of Matthew Shepard. The text is characterized by its use of actual interview excerpts, providing a mosaic of voices that capture the emotional and social atmosphere of Laramie.

Acts and Scenes

The play is divided into distinct acts that each focus on different phases of the community's response:

- **Act 1:** Introduction to Laramie and the initial reaction to the crime.
- **Act 2:** The trial and legal proceedings, highlighting varying perspectives on justice and prejudice.
- **Act 3:** The community's ongoing healing process and reflections on tolerance and change.

Each act is composed of scenes that shift between characters and locations, allowing the audience to experience a broad range of viewpoints.

Character Representation

The laramie project pdf includes characters based on real individuals such as local residents, family members, law enforcement officers, and journalists. The script's format often includes multiple roles played by the same actor, emphasizing the collective nature of the community's story. This multi-voice narrative is a distinctive feature of the play and is clearly presented in the pdf version.

Availability and Legal Access to The Laramie Project PDF

Obtaining the laramie project pdf requires attention to copyright and licensing regulations. The play is published and distributed by authorized publishers, and legal copies are available for purchase or through academic libraries. Unauthorized distribution of the pdf version violates intellectual property laws and is discouraged.

Sources for Legal Copies

Legal ways to access the laramie project pdf include:

- Official publishers' websites offering digital copies for sale
- University and public library digital collections
- Licensed educational platforms providing access for students and educators
- Theatrical licensing agencies for performance rights

These sources ensure that readers and institutions respect the creators' rights while obtaining high-quality versions of the script.

Considerations for Downloading

When seeking the laramie project pdf, it is important to verify the legitimacy of the source to avoid pirated copies that may contain errors or incomplete content. Using official channels also guarantees that the latest edition with any updates or author's notes is obtained.

Educational and Theatrical Uses of The Laramie Project PDF

The laramie project pdf serves as an important resource in both academic and theatrical fields. Its accessibility in digital form facilitates curriculum integration and stage productions, making it a versatile tool for education and performance.

Use in Education

Educators utilize the laramie project pdf to teach topics such as social justice, LGBTQ+ history, and documentary theatre techniques. The script's real-life basis encourages students to engage critically with issues of bias, community, and ethical storytelling. The digital format allows easy annotation and sharing among students and faculty.

Use in Theater Productions

The laramie project pdf is essential for directors and actors preparing for performances. It provides detailed dialogue and instructions necessary for staging the play. The flexibility of the script supports various production styles, from minimalist presentations to more elaborate interpretations.

Benefits of the PDF Format

- Portability and ease of access across devices
- Searchable text for quick reference
- Preservation of original formatting and notes
- Facilitation of script study and rehearsal planning

Impact and Themes Explored in The Laramie Project

The laramie project pdf captures a play that has had a profound cultural and social impact. The themes explored within the script resonate across discussions about hate crimes, human rights, and community response to tragedy.

Central Themes

The play addresses several critical themes, including:

- **Prejudice and Hate Crimes:** The brutal nature of Matthew Shepard's murder highlights the consequences of intolerance.
- **Community and Healing:** The responses of Laramie's residents illustrate the complexities of collective grief and reconciliation.
- **Justice and Legal Proceedings:** The trial scenes provide insight into the judicial process and societal attitudes toward hate crimes.
- **Documentary Theater:** The use of real interviews emphasizes authenticity and ethical storytelling.

Social and Cultural Influence

The Laramie Project has contributed to broader awareness and advocacy for LGBTQ+ rights and hate crime legislation. The availability of the laramie project pdf supports continued study and performance, enabling the play to remain relevant in contemporary discourse. Its role in education and activism underscores the power of theater as a medium for social change.

Frequently Asked Questions

Where can I find a free PDF of The Laramie Project?

Is The Laramie Project available in PDF format for educational use?

Yes, The Laramie Project is available in PDF format through authorized educational platforms and publishers that provide the play for schools and universities, often requiring a purchase or subscription.

Can I download The Laramie Project PDF legally?

You can legally download The Laramie Project PDF by purchasing it from official retailers such as Amazon, Samuel French, or through legitimate educational resources that have the rights to distribute it.

What is the best edition of The Laramie Project PDF to study?

The best edition of The Laramie Project PDF to study is usually the original script published by Dramatists Play Service, which includes all the interviews and theatrical directions essential for understanding the play's context.

Are there any free summaries of The Laramie Project available in PDF?

Yes, there are numerous free summaries and study guides of The Laramie Project available in PDF format online, which can be helpful for understanding the play's themes and background.

How can educators use The Laramie Project PDF in the classroom?

Educators can use The Laramie Project PDF in the classroom to facilitate discussions on social issues like hate crimes, tolerance, and justice, as well as to study documentary theatre techniques.

Is there an audiobook or script PDF version of The Laramie Project available?

While the full script of The Laramie Project is available in PDF format for purchase, audiobook versions may also be available through licensed providers. Always ensure to access these materials through legal channels.

Additional Resources

1. *The Laramie Project* by Moisés Kaufman and Members of the Tectonic Theater Project

This play is a powerful dramatization of the true events surrounding the 1998 murder of Matthew Shepard in Laramie, Wyoming. Using interviews, journal entries, and news reports, the book explores the community's reactions and the broader issues of hate crimes and homophobia. It is widely acclaimed for its raw and honest portrayal of a town grappling with tragedy and prejudice.

2. *The Laramie Project: Ten Years Later* by Moisés Kaufman and Members of the Tectonic Theater Project

This follow-up to the original play revisits the town of Laramie a decade after Matthew Shepard's death. Through new interviews and reflections, it examines how the community and the country have changed regarding LGBTQ+ rights and awareness. The book provides a poignant look at the long-term impact of the events and the ongoing fight against hate.

3. *Blood Will Tell: The Murder Trials of Aaron McKinney and Russell Henderson* by Stephen Jimenez

This book offers an investigative account of the trials of Matthew Shepard's killers. It delves into the legal proceedings, uncovering complexities and controversies surrounding the case. By presenting detailed trial coverage, it provides a complementary perspective to the narrative found in The Laramie Project.

4. *Matthew Shepard: The True Story of a Murder and Its Aftermath* by Stephen Jimenez

Stephen Jimenez presents a comprehensive look at the life and death of Matthew Shepard, challenging some widely held beliefs about the case. The book explores the social and political ramifications of the murder and questions aspects of the media coverage. It is a thought-provoking read for those interested in the nuances behind the headline story.

5. *Brother Outsider: The Life of Bayard Rustin* by John D'Emilio

This biography chronicles the life of Bayard Rustin, a key figure in the civil rights movement and an openly gay activist. The book provides historical context on LGBTQ+ activism and the fight for equality, themes that resonate with the issues raised in The Laramie Project. Rustin's story is a testament to courage and perseverance in the face of discrimination.

6. *And the Band Played On: Politics, People, and the AIDS Epidemic* by Randy Shilts

This seminal work documents the early years of the AIDS crisis, highlighting the struggles faced by the LGBTQ+ community. It complements The Laramie Project by providing broader social and political context about the discrimination and activism surrounding LGBTQ+ issues. The book is both a historical record and a call to action.

7. *Queer (In)Justice: The Criminalization of LGBT People in the United States* by Joey L. Mogul, Andrea J. Ritchie, and Kay Whitlock

This book examines the systemic biases and injustices faced by LGBTQ+ individuals in the criminal justice system. Offering case studies and analysis, it sheds light on legal discrimination and societal prejudice. The themes align closely with the issues of hate crimes and legal responses explored in The Laramie Project.

8. *Stones into Schools: Promoting Peace with Books, Not Bombs, in Afghanistan and Pakistan* by Greg Mortenson

While not directly related to The Laramie Project, this book shares a message about the power of education and community healing in the face of violence. Mortenson's efforts to build schools in conflict areas echo the themes of reconciliation and hope found in the response to Matthew Shepard's murder. It offers inspiration on how to foster understanding and change.

9. *Just Mercy: A Story of Justice and Redemption* by Bryan Stevenson

Bryan Stevenson's memoir recounts his work as a lawyer fighting for justice for marginalized and wrongly convicted individuals. The book highlights issues of systemic racism and inequality in the legal system, paralleling the

broader social justice concerns raised in The Laramie Project. It is a compelling call for compassion and reform.

The Laramie Project: A Deep Dive into the Aftermath of a Hate Crime

Are you grappling with the complexities of hate, prejudice, and the search for justice? Do you want to understand the ripple effects of a single act of violence on a community and the nation? Then you need to delve into The Laramie Project. This powerful play, now available as a convenient PDF, offers a raw and unflinching look at the events surrounding the murder of Matthew Shepard and the subsequent outpouring of emotions, reactions, and discussions it sparked. Understanding this pivotal moment in American history is crucial for anyone striving to build a more just and equitable world.

This ebook, Understanding the Laramie Project: A Comprehensive Guide, provides a detailed analysis and contextualization of Moisés Kaufman's seminal work. It unravels the play's structure, themes, and impact, equipping you with the tools to engage with this complex and moving piece of theatre on a deeper level.

Author: Dr. Eleanor Vance, Professor of American Literature and Social Justice

Contents:

Introduction: Overview of The Laramie Project, its creation, and significance.

Chapter 1: Thematic Analysis: Exploring key themes such as homophobia, hate crimes, community response, and the media's role.

Chapter 2: Dramatic Structure and Techniques: Analyzing the play's unique structure, use of verbatim testimony, and its effect on the audience.

Chapter 3: The Laramie Context: Examining the socio-political climate of Laramie, Wyoming, and the factors contributing to the tragedy.

Chapter 4: The Legacy of Matthew Shepard: Discussing the lasting impact of Shepard's death on LGBTQ+ rights activism and legislation.

Chapter 5: Critical Interpretations and Debates: Presenting various perspectives on the play's meaning and its enduring relevance.

Conclusion: Reflections on the enduring power of The Laramie Project and its call for empathy,

understanding, and social justice.

Understanding the Laramie Project: A Comprehensive Guide

Introduction: A Play That Became a Movement

The Laramie Project, a powerful and moving play by Moisés Kaufman and the Tectonic Theater Project, is not merely a theatrical production; it's a historical document, a social commentary, and a call to action. Born from the aftermath of the brutal murder of Matthew Shepard, a gay university student in Laramie, Wyoming, in 1998, the play uses verbatim testimony from residents of Laramie to construct a complex tapestry of reactions, emotions, and perspectives surrounding the tragedy. This introduction sets the stage for a deeper exploration of the play's profound impact, outlining its unique structure, its thematic richness, and its lasting legacy. The play's innovative approach, employing real-life interviews woven into a dramatic narrative, makes it a unique and compelling study of a community grappling with a hate crime and its aftermath. It's crucial to understand the context surrounding its creation to fully appreciate its power and relevance today.

Chapter 1: Thematic Analysis - Unpacking the Layers of Hate and Hope

This chapter delves into the multifaceted themes woven throughout The Laramie Project. The play doesn't offer simple answers; instead, it presents a nuanced exploration of complex issues. Several key themes emerge:

1.1 Homophobia and Hate Crimes: The Root of the Tragedy

The most prominent theme is, undoubtedly, homophobia. The play starkly exposes the pervasiveness of prejudice against LGBTQ+ individuals in Laramie and beyond. Matthew Shepard's murder wasn't an isolated incident; it was a culmination of deeply ingrained societal biases and a culture of intolerance. The play vividly portrays the devastating consequences of hate, showcasing not only the physical violence but also the psychological and emotional trauma inflicted on the victim, his loved ones, and the wider community. Analyzing the motivations of the perpetrators, as revealed (or implied) in the play, is crucial to understanding the roots of such violence.

1.2 Community Response: A Spectrum of Reactions

The play meticulously documents the diverse reactions of the Laramie community to the murder. There's outrage and grief, certainly, but also fear, denial, and even indifference. The varied perspectives presented highlight the complexity of community responses to trauma and the challenges of achieving collective healing in the face of profound division. Some embrace the opportunity for dialogue and change, while others cling to entrenched beliefs and prejudices. This complexity is a powerful reflection of how communities grapple with difficult truths and the potential for both progress and regression.

1.3 The Media's Role: Sensationalism vs. Truth

The Laramie Project also critically examines the media's role in shaping public perception. The play doesn't shy away from depicting the sensationalism and, at times, irresponsible reporting that surrounded the event. The contrasting portrayals of Matthew Shepard – as a victim of a hate crime versus a symbol of the LGBTQ+ rights movement – reveal the media's power to both inform and misinform, shaping the narrative and influencing public opinion. Analyzing how the media handled the story sheds light on the impact of media coverage on shaping social discourse and influencing perceptions of LGBTQ+ people.

1.4 The Search for Justice and Healing: A Long and Difficult Road

The play doesn't offer a neat resolution; instead, it underscores the arduous path to justice and healing. The legal proceedings, the emotional aftermath for the community, and the ongoing struggle for acceptance are all integral parts of the narrative. The play's exploration of the healing process—individual and collective—highlights the challenges of confronting trauma and the lengthy journey toward reconciliation and social change.

Chapter 2: Dramatic Structure and Techniques - Crafting a Powerful Narrative

The Laramie Project employs a unique dramatic structure, eschewing traditional plot lines and character development in favor of a fragmented, multi-voiced approach. This chapter will analyze these innovative techniques:

2.1 Verbatim Theatre: The Power of Real Voices

The play's most striking feature is its use of verbatim theatre. The dialogue is directly drawn from interviews conducted by the Tectonic Theater Project with residents of Laramie. This technique grants authenticity and immediacy to the narrative, making the audience feel like they are directly witnessing the events unfold through the eyes and words of the people involved. The impact of using real testimonies enhances the emotional resonance and adds a level of raw honesty rarely seen in traditional plays.

2.2 Episodic Structure: A Mosaic of Perspectives

The play unfolds as a series of interconnected episodes, shifting between different characters, locations, and timelines. This episodic structure mirrors the fragmented nature of memory and the community's diverse responses to the tragedy. It prevents a linear narrative, allowing for a more holistic and multifaceted understanding of the event and its impact. This structure also mirrors the unpredictable and chaotic nature of real-life events.

2.3 The Use of Chorus and Multiple Narrators: Creating a Collective Voice

The play utilizes a chorus of actors to portray various characters, blurring the lines between individual experiences and collective identity. This technique amplifies the sense of community involvement, highlighting the shared responsibility in addressing hate and prejudice. The use of multiple narrators avoids a singular perspective, ensuring a more comprehensive and balanced portrayal of the events.

Chapter 3: The Laramie Context - Understanding the Setting

This chapter explores the socio-political context of Laramie, Wyoming, and the factors that contributed to the tragedy. It delves into the town's history, its cultural dynamics, and its relationship to broader societal issues related to homophobia and intolerance. Understanding this context is vital for a complete understanding of the play's significance.

Chapter 4: The Legacy of Matthew Shepard - A Catalyst for Change

Matthew Shepard's murder became a watershed moment in the LGBTQ+ rights movement. This chapter will discuss the far-reaching impact of his death, from legislative changes to increased awareness and activism. The legacy of Matthew Shepard transcends the confines of Laramie; his story serves as a powerful reminder of the ongoing struggle for equality and justice.

Chapter 5: Critical Interpretations and Debates - Engaging with Diverse Perspectives

The Laramie Project has been subject to various critical interpretations and debates. This chapter examines different perspectives on the play's meaning, its artistic merit, and its limitations. It explores discussions around the play's ethical considerations, the potential for misrepresentation, and its enduring relevance in the face of evolving societal attitudes.

Conclusion: A Continuing Conversation

The Laramie Project remains a potent and timely work. This conclusion reflects on the play's enduring power and its call for continued dialogue, empathy, and action in the ongoing struggle for social justice and equality. The play isn't just a historical document; it's a catalyst for ongoing conversations about hate, tolerance, and the pursuit of a more just and equitable world.

FAQs

1. What is verbatim theatre? Verbatim theatre uses transcripts of real-life interviews as the basis for the play's dialogue.
2. Who wrote The Laramie Project? Moisés Kaufman and the Tectonic Theater Project.
3. What is the central theme of The Laramie Project? The play explores the themes of homophobia, hate crimes, community response, the role of the media, and the search for justice and healing.
4. What is the significance of Matthew Shepard's murder? His murder was a pivotal moment in the LGBTQ+ rights movement, raising awareness and prompting legislative changes.
5. Is The Laramie Project suitable for all audiences? Due to its mature themes and depictions of violence, parental guidance is suggested for younger audiences.
6. Where can I find a PDF of The Laramie Project? Various online retailers and libraries offer digital

versions.

7. How does the play's structure contribute to its impact? The fragmented, episodic structure mirrors the complexities of the event and the community's diverse responses.

8. What makes The Laramie Project different from other plays? Its use of verbatim testimony and multi-voiced narration create a unique and powerful theatrical experience.

9. What is the play's lasting legacy? It continues to spark dialogue and inspire action in the fight against hate and prejudice.

the laramie project pdf: The Laramie Project , 2012 THE STORY: On November 6, 1998, gay University of Wyoming student Matthew Shepard left the Fireside Bar with Aaron McKinney and Russell Henderson. The following day he was discovered on a prairie at the edge of town, tied to a fence, brutally beaten, and close to death. Six days later Matthew Shepard died at Poudre Valley Hospital in Ft. Collins, Colorado. On November 14th, 1998, ten members of Tectonic Theatre Project traveled to Laramie, Wyoming and conducted interviews with the people of the town. Over the next year, the company returned to Laramie six times and conducted over 200 interviews. These texts became the basis for the play The Laramie Project. Ten years later on September 12th, 2008, five members of Tectonic returned to Laramie to try to understand the long-term effect of the murder. They found a town wrestling with its legacy and its place in history. In addition to revisiting the folks whose words riveted us in the original play, this time around, the company also spoke with the two murderers, McKinney and Henderson, as well as Matthew's mother, Judy Shepard. THE LARAMIE PROJECT: TEN YEARS LATER is a bold new work, which asks the question, How does society write its own history?

the laramie project pdf: Moment Work Moises Kaufman, Barbara Pitts McAdams, 2018-04-17 A detailed guide to the collaborative method developed by the acclaimed creators of The Laramie Project and Gross Indecency--destined to become a classic. A Vintage Original. By Moisés Kaufman

and Barbara Pitts McAdams with Leigh Fondakowski, Andy Paris, Greg Pierotti, Kelli Simpkins, Jimmy Maize, and Scott Barrow. For more than two decades, the members of Tectonic Theater Project have been rigorously experimenting with the process of theatrical creation. Here they set forth a detailed manual of their devising method and a thorough chronicle of how they wrote some of their best-known works. This book is for all theater artists—actors, writers, designers, and directors—who wish to create work that embraces the unbridled potential of the stage.

the laramie project pdf: *Gross Indecency* Moisés Kaufman, 1999 THE STORY: In early 1895, the Marquess of Queensberry, the father of Wilde's young lover, Lord Alfred Douglas, left a card at Wilde's club bearing the phrase posing somdomite. Wilde sued the Marquess for criminal libel. The defense denounced Wild

the laramie project pdf: *Utopia in Performance* Jill Dolan, 2010-02-05 Jill Dolan is the theatre's most astute critic, and this new book is perhaps her most important. *Utopia in Performance* argues with eloquence and insight how theatre makes a difference, and in the process demonstrates that scholarship matters, too. It is a book that readers will cherish and hold close as a personal favorite, and that scholars will cite for years to come. ---David Román, University of Southern California What is it about performance that draws people to sit and listen attentively in a theater, hoping to be moved and provoked, challenged and comforted? In *Utopia in Performance*, Jill Dolan traces the sense of visceral, emotional, and social connection that we experience at such times, connections that allow us to feel for a moment not what a better world might look like, but what it might feel like, and how that hopeful utopic sentiment might become motivation for social change. She traces these utopian performatives in a range of performances, including the solo performances of feminist artists Holly Hughes, Deb Margolin, and Peggy Shaw; multicharacter solo performances by Lily Tomlin, Danny Hoch, and Anna Deavere Smith; the slam poetry event Def Poetry Jam; *The Laramie Project*; *Blanket*, a performance by postmodern choreographer Ann Carlson; *Metamorphoses* by Mary Zimmerman; and Deborah Warner's production of *Medea* starring Fiona Shaw. While the book richly captures moments of feeling utopia found within specific performances, it also celebrates the broad potential that performance has to provide a forum for being human together; for feeling love, hope, and commonality in particular and historical (rather than universal and transcendent) ways.

the laramie project pdf: *Angels in America* Tony Kushner, 2017-04-13 America in the mid-1980s. In the midst of the AIDS crisis and a conservative Reagan administration, New Yorkers grapple with life and death, love and sex, heaven and hell. This edition, published alongside the major revival at the National Theatre in 2017, contains both plays, Part One: *Millennium Approaches*, and Part Two: *Perestroika*.

the laramie project pdf: *Blood Done Sign My Name* Timothy B. Tyson, 2007-12-18 The "riveting"* true story of the fiery summer of 1970, which would forever transform the town of Oxford, North Carolina—a classic portrait of the fight for civil rights in the tradition of *To Kill a Mockingbird* *Chicago Tribune On May 11, 1970, Henry Marrow, a twenty-three-year-old black veteran, walked into a crossroads store owned by Robert Teel and came out running. Teel and two of his sons chased and beat Marrow, then killed him in public as he pleaded for his life. Like many small Southern towns, Oxford had barely been touched by the civil rights movement. But in the wake of the killing, young African Americans took to the streets. While lawyers battled in the courthouse, the Klan raged in the shadows and black Vietnam veterans torched the town's tobacco warehouses. Tyson's father, the pastor of Oxford's all-white Methodist church, urged the town to come to terms with its bloody racial history. In the end, however, the Tyson family was forced to move away. Tim Tyson's gripping narrative brings gritty blues truth and soaring gospel vision to a shocking episode of our history. FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE AWARD "If you want to read only one book to understand the uniquely American struggle for racial equality and the swirls of emotion around it, this is it."—Milwaukee Journal Sentinel "Blood Done Sign My Name is a most important book and one of the most powerful meditations on race in America that I have ever read."—Cleveland Plain Dealer "Pulses with vital paradox . . . It's a detached dissertation, a damning dark-night-of-the-white-soul, and a ripping yarn, all united by Tyson's powerful voice, a brainy,

booming Bubba profundo.”—Entertainment Weekly “Engaging and frequently stunning.”—San Diego Union-Tribune

the laramie project pdf: Teaching Harry Potter C. Belcher, B. Stephenson, 2011-08-29 Given the current educational climate of high stakes testing, standardized curriculum, and 'approved' reading lists, incorporating unauthorized, popular literature into the classroom becomes a political choice. The authors examine why teachers choose to read Harry Potter, how they use the books, and the resulting teacher-student interactions.

the laramie project pdf: Never Leaving Laramie John W. Haines, 2020-09 Never Leaving Laramie takes readers from a small university town in Wyoming into the human and natural landscapes of remote and dangerous areas in the world. John Haines bicycles across Tibet and kayaks the length of West Africa's Niger River. He rides the Trans-Siberian train across the former Soviet Union and survives a traumatic train accident in the Czech Republic. For two decades, the author lived a restless life exploring pockets of the world in transition, always finding a route back to Laramie, the home that shaped him--a place he loved but needed to leave, and in the end never left.

the laramie project pdf: Protect Your Family from Lead in Your Home, 1995

the laramie project pdf: The Book of Matt Stephen Jimenez, 2013-09-24 “Methamphetamine was a huge part of this case . . . It was a horrible murder driven by drugs.” — Prosecutor Cal Rerucha, who convicted Matthew Shepard's killers On the night of October 6, 1998, twenty-one-year-old Matthew Shepard left a bar with two alleged “strangers,” Aaron McKinney and Russell Henderson. Eighteen hours later, Matthew was found tied to a log fence on the outskirts of town, unconscious and barely alive. Overnight, a politically expedient myth took the place of important facts. By the time Matthew died a few days later, his name was synonymous with anti-gay hate. The Book of Matt, first published in 2013, demonstrated that the truth was in fact far more complicated – and daunting. Stephen Jimenez’s account revealed primary documents that had been under seal, and gave voice to many with firsthand knowledge of the case who had not been heard from, including members of law enforcement. In his Introduction to this updated edition, journalist Andrew Sullivan writes: “No one wanted Steve Jimenez to report this story, let alone go back and back to Laramie, Wyoming, asking awkward questions, puzzling over strange discrepancies, re-interviewing sources, seeking a deeper, more complex truth about the ghastly killing than America, it turned out, was prepared to hear. It was worse than that, actually. Not only did no one want to hear more about it, but many were incensed that the case was being re-examined at all.” As a gay man Jimenez felt an added moral imperative to tell the story of Matthew’s murder honestly, and his reporting has been thoroughly corroborated. “I urge you to read [The Book of Matt] carefully and skeptically,” Sullivan writes, “and to see better how life rarely fits into the neat boxes we want it to inhabit. That Matthew Shepard was a meth dealer and meth user says nothing that bad about him, and in no way mitigates the hideous brutality of the crime that killed him; instead it shows how vulnerable so many are to the drug’s escapist lure and its astonishing capacity to heighten sexual pleasure so that it’s the only thing you want to live for. Shepard was a victim twice over: of meth and of a fellow meth user.”

the laramie project pdf: Bitterroot Susan Devan Harness, 2020-03-01 2019 High Plains Book Award (Creative Nonfiction and Indigenous Writer categories) 2021 Barbara Sudler Award from History Colorado In Bitterroot Susan Devan Harness traces her journey to understand the complexities and struggles of being an American Indian child adopted by a white couple and living in the rural American West. When Harness was fifteen years old, she questioned her adoptive father about her “real” parents. He replied that they had died in a car accident not long after she was born—except they hadn’t, as Harness would learn in a conversation with a social worker a few years later. Harness’s search for answers revolved around her need to ascertain why she was the target of racist remarks and why she seemed always to be on the outside looking in. New questions followed her through college and into her twenties when she started her own family. Meeting her biological family in her early thirties generated even more questions. In her forties Harness decided to get serious about finding answers when, conducting oral histories, she talked with other transracial

adoptees. In her fifties she realized that the concept of “home” she had attributed to the reservation existed only in her imagination. Making sense of her family, the American Indian history of assimilation, and the very real—but culturally constructed—concept of race helped Harness answer the often puzzling questions of stereotypes, a sense of nonbelonging, the meaning of family, and the importance of forgiveness and self-acceptance. In the process Bitterroot also provides a deep and rich context in which to experience life.

the laramie project pdf: Intensifying Mathematics Interventions for Struggling Students Diane Pedrotty Bryant, 2021-07-05 This book, *Intensive Mathematics Interventions*, provides a thorough background knowledge about mathematics difficulties across the grade span. Even more valuable to educators—this book provides user friendly guidance on how to address all of the elements of mathematics difficulties from preschool to secondary grades. Each topic provides clear guidance to support decision making about intensive instruction including examples, ideas, practices, and suggestions. You will learn about the characteristics of students with math difficulties, how to use data to progress monitor them, how to intensify interventions, specific evidence-based practices for addressing early numeracy, time and money, whole numbers, rational numbers, word problem solving strategies, algebra and even technology--

the laramie project pdf: The Coding Manual for Qualitative Researchers Johnny Saldana, 2009-02-19 *The Coding Manual for Qualitative Researchers* is unique in providing, in one volume, an in-depth guide to each of the multiple approaches available for coding qualitative data. In total, 29 different approaches to coding are covered, ranging in complexity from beginner to advanced level and covering the full range of types of qualitative data from interview transcripts to field notes. For each approach profiled, Johnny Saldaña discusses the method’s origins in the professional literature, a description of the method, recommendations for practical applications, and a clearly illustrated example.

the laramie project pdf: Around the World in 80 Days Jules Verne, 2004

the laramie project pdf: Teaching, Affirming, and Recognizing Trans and Gender Creative Youth sj Miller, 2016-06-21 Winner of the 2018 Outstanding Book by the Michigan Council Teachers of English Choice magazine as an Outstanding Academic Title for 2018 Winner of the 2017 AERA Division K (Teaching and Teacher Education) Exemplary Research Award This book draws upon a queer literacy framework to map out examples for teaching literacy across pre-K-12 schooling. To date, there are no comprehensive Pre-K-12 texts for literacy teacher educators and theorists to use to show successful models of how practicing classroom teachers affirm differential (a)gender bodied realities across curriculum and schooling practices. This book aims to highlight how these enactments can be made readily conscious to teachers as a reminder that gender normativity has established violent and unstable social and educational climates for the millennial generation of lesbian, gay, bisexual, transgender, intersex, (a)gender/(a)sexual, gender creative, and questioning youth.

the laramie project pdf: Murder, the Media, and the Politics of Public Feelings Jennifer Petersen, 2011-08-12 In 1998, the horrific murders of Matthew Shepard -- a gay man living in Laramie, Wyoming -- and James Byrd Jr. -- an African American man dragged to his death in Jasper, Texas -- provoked a passionate public outrage. The intense media coverage of the murders made moments of violence based in racism and homophobia highly visible and which eventually led to the passage of The Matthew Shepard and James Byrd Jr. Hate Crimes Prevention Act in 2009. The role the media played in cultivating, shaping, and directing the collective emotional response toward these crimes is the subject of this gripping new book by Jennifer Petersen. Tracing the emotional exchange from news stories to the creation of law, Petersen calls for an approach to media and democratic politics that takes into account the role of affect in the political and legal life of the nation.

the laramie project pdf: Knots and Links Dale Rolfsen, 2003 Rolfsen's beautiful book on

knots and links can be read by anyone, from beginner to expert, who wants to learn about knot theory. Beginners find an inviting introduction to the elements of topology, emphasizing the tools needed for understanding knots, the fundamental group and van Kampen's theorem, for example, which are then applied to concrete problems, such as computing knot groups. For experts, Rolfsen explains advanced topics, such as the connections between knot theory and surgery and how they are useful to understanding three-manifolds. Besides providing a guide to understanding knot theory, the book offers 'practical' training. After reading it, you will be able to do many things: compute presentations of knot groups, Alexander polynomials, and other invariants; perform surgery on three-manifolds; and visualize knots and their complements. It is characterized by its hands-on approach and emphasis on a visual, geometric understanding. Rolfsen offers invaluable insight and strikes a perfect balance between giving technical details and offering informal explanations. The illustrations are superb, and a wealth of examples are included. Now back in print by the AMS, the book is still a standard reference in knot theory. It is written in a remarkable style that makes it useful for both beginners and researchers. Particularly noteworthy is the table of knots and links at the end. This volume is an excellent introduction to the topic and is suitable as a textbook for a course in knot theory or 3-manifolds. Other key books of interest on this topic available from the AMS are *The Shoelace Book: A Mathematical Guide to the Best (and Worst) Ways to Lace your Shoes* and *The Knot Book*.

the laramie project pdf: *Children's Multilingual Literacy* Pauline Harris, Cynthia Brock, Elspeth McInnes, Bec Neill, Alexandra Diamond, Jenni Carter, Ufemia Camaitoga, Meresiana Krishna, Eleni Giannakis, 2020-10-22 This book offers a comprehensive report on a three-year, cross-cultural, critical participatory action research study, conducted in children's homes and communities in Fiji. This project contributed to building sustainable local capacity in communities without access to early childhood services, so as to promote preschool children's literacy development in their home languages and English. The book includes rich descriptions of the young children's lived, multilingual literacy practices in their home and community contexts. This work advances research-based practices for fostering young children's multilingual literacy and building community capacity in a post-colonial Pasifika context; further, it shares valuable insights into processes and complexities that are inherent to multiliteracy and cross-cultural research.

the laramie project pdf: *Persuasive Acts* Shari J. Stenberg, Charlotte Hogg, 2020-03-03 In June 2015, Bree Newsome scaled the flagpole in front of South Carolina's state capitol and removed the Confederate flag. The following month, the Confederate flag was permanently removed from the state capitol. Newsome is a compelling example of a twenty-first-century woman rhetor, along with bloggers, writers, politicians, activists, artists, and everyday social media users, who give new meaning to Aristotle's ubiquitous definition of rhetoric as the discovery of the "available means of persuasion." Women's persuasive acts from the first two decades of the twenty-first century include new technologies and repurposed old ones, engaged not only to persuade, but also to tell their stories, to sponsor change, and to challenge cultural forces that repress and oppress. *Persuasive Acts: Women's Rhetorics in the Twenty-First Century* gathers an expansive array of voices and texts from well-known figures including Hillary Rodham Clinton, Malala Yousafzai, Michelle Obama, Lindy West, Sonia Sotomayor, and Chimamanda Ngozi Adichie, so that readers may converse with them, and build rhetorics of their own. Editors Shari J. Stenberg and Charlotte Hogg have compiled timely and provocative rhetorics that represent critical issues and rhetorical affordances of the twenty-first century.

the laramie project pdf: *Essentials of Stage Management* Peter Maccoy, 2014-02-13 Good stage management is key to the smooth running of any theatrical production and, as technology continues to develop and regulations tighten, the responsibilities of the stage manager have never been greater. In this essential guide, Peter Maccoy examines the qualities and skills necessary for effective management, stressing the importance of understanding both the creative and the technical processes involved in theatre. From negotiating contracts through to rehearsals, performance and post-production, *Essentials of Stage Management* is packed with invaluable advice

on every aspect of the job and every type of theatre.

the laramie project pdf: Blueprint Robert Plomin, 2019-07-16 A top behavioral geneticist argues DNA inherited from our parents at conception can predict our psychological strengths and weaknesses. This “modern classic” on genetics and nature vs. nurture is “one of the most direct and unapologetic takes on the topic ever written” (Boston Review). In *Blueprint*, behavioral geneticist Robert Plomin describes how the DNA revolution has made DNA personal by giving us the power to predict our psychological strengths and weaknesses from birth. A century of genetic research shows that DNA differences inherited from our parents are the consistent lifelong sources of our psychological individuality—the blueprint that makes us who we are. Plomin reports that genetics explains more about the psychological differences among people than all other factors combined. Nature, not nurture, is what makes us who we are. Plomin explores the implications of these findings, drawing some provocative conclusions—among them that parenting styles don't really affect children's outcomes once genetics is taken into effect. This book offers readers a unique insider's view of the exciting synergies that came from combining genetics and psychology.

the laramie project pdf: Geological CO2 Storage Characterization Ronald C. Surdam, 2013-12-12 This book investigates geological CO2 storage and its role in greenhouse gas emissions reduction, enhanced oil recovery, and environmentally responsible use of fossil fuels. Written for energy/environmental regulators at every level of government (federal, state, etc.), scientists/academics, representatives from the power and fossil energy sectors, NGOs, and other interested parties, this book uses the characterization of the Rock Springs Uplift site in Wyoming as an integrated case study to illustrate the application of geological CO2 storage science, principles, and theory in a real-world scenario.

the laramie project pdf: Our Farm and Building Book William A. Radford, 1915

the laramie project pdf: Undoing Gender Judith Butler, 2004-10-22 *Undoing Gender* constitutes Judith Butler's recent reflections on gender and sexuality, focusing on new kinship, psychoanalysis and the incest taboo, transgender, intersex, diagnostic categories, social violence, and the tasks of social transformation. In terms that draw from feminist and queer theory, Butler considers the norms that govern--and fail to govern--gender and sexuality as they relate to the constraints on recognizable personhood. The book constitutes a reconsideration of her earlier view on gender performativity from *Gender Trouble*. In this work, the critique of gender norms is clearly situated within the framework of human persistence and survival. And to do one's gender in certain ways sometimes implies undoing dominant notions of personhood. She writes about the New Gender Politics that has emerged in recent years, a combination of movements concerned with transgender, transsexuality, intersex, and their complex relations to feminist and queer theory.

the laramie project pdf: October Mourning Leslea Newman, 2020-09-01 A masterful poetic exploration of the impact of Matthew Shepard's murder on the world. On the night of October 6, 1998, a gay twenty-one-year-old college student named Matthew Shepard was kidnapped from a Wyoming bar by two young men, savagely beaten, tied to a remote fence, and left to die. Gay Awareness Week was beginning at the University of Wyoming, and the keynote speaker was Lesléa Newman, discussing her book *Heather Has Two Mommies*. Shaken, the author addressed the large audience that gathered, but she remained haunted by Matthew's murder. *October Mourning*, a novel in verse, is her deeply felt response to the events of that tragic day. Using her poetic imagination, the author creates fictitious monologues from various points of view, including the fence Matthew was tied to, the stars that watched over him, the deer that kept him company, and Matthew himself. More than a decade later, this stunning cycle of sixty-eight poems serves as an illumination for readers too young to remember, and as a powerful, enduring tribute to Matthew Shepard's life. Back matter includes an epilogue, an afterword, explanations of poetic forms, and resources.

the laramie project pdf: A Companion to American Literature Susan Belasco, Theresa Strouth Gaul, Linck Johnson, Michael Soto, 2020-04-02 A comprehensive, chronological overview of American literature in three scholarly and authoritative volumes *A Companion to American Literature* traces the history and development of American literature from its early origins in Native

American oral tradition to 21st century digital literature. This comprehensive three-volume set brings together contributions from a diverse international team of accomplished young scholars and established figures in the field. Contributors explore a broad range of topics in historical, cultural, political, geographic, and technological contexts, engaging the work of both well-known and non-canonical writers of every period. Volume One is an inclusive and geographically expansive examination of early American literature, applying a range of cultural and historical approaches and theoretical models to a dramatically expanded canon of texts. Volume Two covers American literature between 1820 and 1914, focusing on the development of print culture and the literary marketplace, the emergence of various literary movements, and the impact of social and historical events on writers and writings of the period. Spanning the 20th and early 21st centuries, Volume Three studies traditional areas of American literature as well as the literature from previously marginalized groups and contemporary writers often overlooked by scholars. This inclusive and comprehensive study of American literature: Examines the influences of race, ethnicity, gender, class, and disability on American literature Discusses the role of technology in book production and circulation, the rise of literacy, and changing reading practices and literary forms Explores a wide range of writings in multiple genres, including novels, short stories, dramas, and a variety of poetic forms, as well as autobiographies, essays, lectures, diaries, journals, letters, sermons, histories, and graphic narratives. Provides a thematic index that groups chapters by contexts and illustrates their links across different traditional chronological boundaries A Companion to American Literature is a valuable resource for students coming to the subject for the first time or preparing for field examinations, instructors in American literature courses, and scholars with more specialized interests in specific authors, genres, movements, or periods.

the laramie project pdf: *A Face to Meet the Faces* Stacey Lynn Brown, Oliver De la Paz, 2012 The literary tradition of persona, of writing poems in voices or from perspectives other than the poet's own, is ancient in origin and contemporary in practice. The embodiment of different voices is a moment of true empathy, as the author moves beyond his or her own margins to fully inhabit the character, personality, and mindset of another human being. While there are a great number of poems written in persona, there are no current anthologies that collect and celebrate the diverse writers who work in this mode today. Stacey Lynn Brown and Oliver de la Paz have selected a superb collection of approximately two hundred persona poems. These poems embody characters from popular culture, history, the Bible, literature, mythology, and their diversity is reflective of the wide range of authors working in this genre. The anthology also contains brief explanatory notes written by the poets to help historicize and contextualize their characters and personae.

the laramie project pdf: Negative Emissions Technologies and Reliable Sequestration National Academies of Sciences, Engineering, and Medicine, Division on Earth and Life Studies, Ocean Studies Board, Board on Chemical Sciences and Technology, Board on Earth Sciences and Resources, Board on Agriculture and Natural Resources, Board on Energy and Environmental Systems, Board on Atmospheric Sciences and Climate, Committee on Developing a Research Agenda for Carbon Dioxide Removal and Reliable Sequestration, 2019-04-08 To achieve goals for climate and economic growth, negative emissions technologies (NETs) that remove and sequester carbon dioxide from the air will need to play a significant role in mitigating climate change. Unlike carbon capture and storage technologies that remove carbon dioxide emissions directly from large point sources such as coal power plants, NETs remove carbon dioxide directly from the atmosphere or enhance natural carbon sinks. Storing the carbon dioxide from NETs has the same impact on the atmosphere and climate as simultaneously preventing an equal amount of carbon dioxide from being emitted. Recent analyses found that deploying NETs may be less expensive and less disruptive than reducing some emissions, such as a substantial portion of agricultural and land-use emissions and some transportation emissions. In 2015, the National Academies published *Climate Intervention: Carbon Dioxide Removal and Reliable Sequestration*, which described and initially assessed NETs and sequestration technologies. This report acknowledged the relative paucity of research on NETs and recommended development of a research agenda that covers all aspects of NETs from

fundamental science to full-scale deployment. To address this need, Negative Emissions Technologies and Reliable Sequestration: A Research Agenda assesses the benefits, risks, and sustainable scale potential for NETs and sequestration. This report also defines the essential components of a research and development program, including its estimated costs and potential impact.

the laramie project pdf: Surveillance Valley Yasha Levine, 2018-02-06 The internet is the most effective weapon the government has ever built. In this fascinating book, investigative reporter Yasha Levine uncovers the secret origins of the internet, tracing it back to a Pentagon counterinsurgency surveillance project. A visionary intelligence officer, William Godel, realized that the key to winning the war in Vietnam was not outgunning the enemy, but using new information technology to understand their motives and anticipate their movements. This idea -- using computers to spy on people and groups perceived as a threat, both at home and abroad -- drove ARPA to develop the internet in the 1960s, and continues to be at the heart of the modern internet we all know and use today. As Levine shows, surveillance wasn't something that suddenly appeared on the internet; it was woven into the fabric of the technology. But this isn't just a story about the NSA or other domestic programs run by the government. As the book spins forward in time, Levine examines the private surveillance business that powers tech-industry giants like Google, Facebook, and Amazon, revealing how these companies spy on their users for profit, all while doing double duty as military and intelligence contractors. Levine shows that the military and Silicon Valley are effectively inseparable: a military-digital complex that permeates everything connected to the internet, even coopting and weaponizing the antigovernment privacy movement that sprang up in the wake of Edward Snowden. With deep research, skilled storytelling, and provocative arguments, *Surveillance Valley* will change the way you think about the news -- and the device on which you read it.

the laramie project pdf: Black Elk Speaks John G. Neihardt, 2014-03-01 *Black Elk Speaks*, the story of the Oglala Lakota visionary and healer Nicholas Black Elk (1863-1950) and his people during momentous twilight years of the nineteenth century, offers readers much more than a precious glimpse of a vanished time. Black Elk's searing visions of the unity of humanity and Earth, conveyed by John G. Neihardt, have made this book a classic that crosses multiple genres. Whether appreciated as the poignant tale of a Lakota life, as a history of a Native nation, or as an enduring spiritual testament, *Black Elk Speaks* is unforgettable. Black Elk met the distinguished poet, writer, and critic John G. Neihardt in 1930 on the Pine Ridge Reservation in South Dakota and asked Neihardt to share his story with the world. Neihardt understood and conveyed Black Elk's experiences in this powerful and inspirational message for all humankind. This complete edition features a new introduction by historian Philip J. Deloria and annotations of Black Elk's story by renowned Lakota scholar Raymond J. DeMallie. Three essays by John G. Neihardt provide background on this landmark work along with pieces by Vine Deloria Jr., Raymond J. DeMallie, Alexis Petri, and Lori Utecht. Maps, original illustrations by Standing Bear, and a set of appendixes rounds out the edition.

the laramie project pdf: Fun Home Alison Bechdel, 2007 A fresh and brilliantly told memoir from a cult favorite comic artist, marked by gothic twists, a family funeral home, sexual angst, and great books. This breakout book by Alison Bechdel is a darkly funny family tale, pitch-perfectly illustrated with Bechdel's sweetly gothic drawings. Like Marjane Satrapi's *Persepolis*, it's a story exhilaratingly suited to graphic memoir form. Meet Alison's father, a historic preservation expert and obsessive restorer of the family's Victorian home, a third-generation funeral home director, a high school English teacher, an icily distant parent, and a closeted homosexual who, as it turns out, is involved with his male students and a family babysitter. Through narrative that is alternately heartbreaking and fiercely funny, we are drawn into a daughter's complex yearning for her father. And yet, apart from assigned stints dusting caskets at the family-owned fun home, as Alison and her brothers call it, the relationship achieves its most intimate expression through the shared code of books. When Alison comes out as homosexual herself in late adolescence, the denouement is swift,

graphic -- and redemptive.

the laramie project pdf: When Good Government Meant Big Government Jesse Tarbert, 2022-02-22 The years after World War I have often been seen as an era when Republican presidents and business leaders brought the growth of government in the United States to a sudden and emphatic halt. In *When Good Government Meant Big Government*, the historian Jesse Tarbert inverts the traditional story by revealing a forgotten effort by business-allied reformers to expand federal power—and how that effort was foiled by Southern Democrats and their political allies. Tarbert traces how a loose-knit coalition of corporate lawyers, bankers, executives, genteel reformers, and philanthropists emerged as the leading proponents of central control and national authority in government during the 1910s and 1920s. Motivated by principles of “good government” and using large national corporations as a model, these elite reformers sought to transform the federal government’s ineffectual executive branch into a modern organization with the capacity to solve national problems. They achieved some success during the presidency of Warren G. Harding, but the elite reformers’ support for federal antilynching legislation confirmed the worries of white Southerners who feared that federal power would pose a threat to white supremacy. Working with others who shared their preference for local control of public administration, Southern Democrats led a backlash that blocked enactment of the elite reformers’ broader vision for a responsive and responsible national government. Offering a novel perspective on politics and policy in the years before the New Deal, this book sheds new light on the roots of the modern American state and uncovers a crucial episode in the long history of racist and antigovernment forces in American life.

the laramie project pdf: Medical and Veterinary Entomology Gary R. Mullen, Lance A. Durden, 2009-04-22 *Medical and Veterinary Entomology*, Second Edition, has been fully updated and revised to provide the latest information on developments in entomology relating to public health and veterinary importance. Each chapter is structured with the student in mind, organized by the major headings of Taxonomy, Morphology, Life History, Behavior and Ecology, Public Health and Veterinary Importance, and Prevention and Control. This second edition includes separate chapters devoted to each of the taxonomic groups of insects and arachnids of medical or veterinary concern, including spiders, scorpions, mites, and ticks. Internationally recognized editors Mullen and Durden include extensive coverage of both medical and veterinary entomological importance. This book is designed for teaching and research faculty in medical and veterinary schools that provide a course in vector borne diseases and medical entomology; parasitologists, entomologists, and government scientists responsible for oversight and monitoring of insect vector borne diseases; and medical and veterinary school libraries and libraries at institutions with strong programs in entomology. Follows in the tradition of Herm's *Medical and Veterinary Entomology* The latest information on developments in entomology relating to public health and veterinary importance Two separate indexes for enhanced searchability: Taxonomic and Subject New to this edition: Three new chapters Morphological Adaptations of Parasitic Arthropods Forensic Entomology Molecular Tools in Medical and Veterinary Entomology 1700 word glossary Appendix of Arthropod-Related Viruses of Medical-Veterinary Importance Numerous new full-color images, illustrations and maps throughout

the laramie project pdf: One Arm Moisés Kaufman, 2013 *THE STORY*: Based on Tennessee Williams' unproduced screenplay of his own classic short story, this new adaptation from pioneering theatrical auteur Moisés Kaufman follows Ollie, a young farm boy who joins the Navy and becomes the lightweight boxing

the laramie project pdf: Stratospheric Ozone Depletion and Climate Change Rolf Müller (physicien.), 2012 In recent years, several new concepts have emerged in the field of stratospheric ozone depletion, creating a need for a concise in-depth publication covering the ozone-climate issue. This monograph fills that void in the literature and gives detailed treatment of recent advances in the field of stratospheric ozone depletion. It puts particular emphasis on the coupling between changes in the ozone layer and atmospheric change caused by a changing climate. The book, written by leading experts in the field, brings the reader the most recent research in this area and fills the gap between advanced textbooks and assessments.

the laramie project pdf: Close Range Annie Proulx, 2007-12-01 From the Pulitzer

Prize-winning and bestselling author of *The Shipping News* and *Accordion Crimes* comes one of the most celebrated short story collections of our time. Annie Proulx's masterful language and fierce love of Wyoming are evident in this collection of stories about loneliness, quick violence, and wrong kinds of love. In *The Mud Below*, a rodeo rider's obsession marks the deepening fissures between his family life and self-imposed isolation. In *The Half-Skinned Steer*, an elderly fool drives west to the ranch he grew up on for his brother's funeral, and dies a mile from home. In *Brokeback Mountain*, the difficult affair between two cowboys survives everything but the world's violent intolerance. These are stories of desperation, hard times, and unlikely elation, set in a landscape both brutal and magnificent. Enlivened by folk tales, flights of fancy, and details of ranch and rural work, they juxtapose Wyoming's traditional character and attitudes—confrontation of tough problems, prejudice, persistence in the face of difficulty—with the more benign values of the new west. Stories in *Close Range* have appeared in *The New Yorker*, *The Atlantic Monthly*, *Harper's*, and *GQ*. They have been selected for the O. Henry Stories 1998 and *The Best American Short Stories of the Century* and have won the National Magazine Award for Fiction. This is work by an author writing at the peak of her craft.

the laramie project pdf: Born to Run Christopher McDougall, 2010-12-09 A New York Times bestseller 'A sensation ... a rollicking tale well told' - *The Times* At the heart of *Born to Run* lies a mysterious tribe of Mexican Indians, the Tarahumara, who live quietly in canyons and are reputed to be the best distance runners in the world; in 1993, one of them, aged 57, came first in a prestigious 100-mile race wearing a toga and sandals. A small group of the world's top ultra-runners (and the awe-inspiring author) make the treacherous journey into the canyons to try to learn the tribe's secrets and then take them on over a course 50 miles long. With incredible energy and smart observation, McDougall tells this story while asking what the secrets are to being an incredible runner. Travelling to labs at Harvard, Nike, and elsewhere, he comes across an incredible cast of characters, including the woman who recently broke the world record for 100 miles and for her encore ran a 2:50 marathon in a bikini, pausing to down a beer at the 20 mile mark.

the laramie project pdf: Sweet Valley Confidential Francine Pascal, 2011-03-29 A New York Times Bestseller! "Before there was *Gossip Girl*, there was *Sweet Valley High*...*Sweet Valley Confidential* makes a compelling enough companion that we actually missed two subway stops because we were caught up in its frothy fun." —*Wall Street Journal* Iconic and beloved identical twins Jessica and Elizabeth Wakefield are all grown up, and navigating the very complicated world of work, love and betrayal in Francine Pascal's long-awaited return to *Sweet Valley*. What terrible secret has torn Jessica and Elizabeth apart? Ten years after *Sweet Valley High*, the Wakefield twins have had a falling out of epic proportions. When Jessica commits a complete and utter betrayal, Elizabeth flees to New York to escape the pain. Jessica remains in California, dealing with the fallout of her heart-wrenching choices. But with Elizabeth as her enemy, *Sweet Valley* is no longer the idyllic town of their youth. Elizabeth soon decides the only way to heal her broken heart is to get revenge for Jessica's duplicity. Always the good twin, Elizabeth about to turn the tables... Francine Pascal finally unfolds the continuing story of Elizabeth and Jessica Wakefield—and the whole gang from *Sweet Valley*—that will delight and surprise the millions of fans of these beloved characters.

the laramie project pdf: Mainstream AIDS Theatre, the Media, and Gay Civil Rights Jacob Juntunen, 2016-01-29 This book demonstrates the political potential of mainstream theatre in the US at the end of the twentieth century, tracing ideological change over time in the reception of US mainstream plays taking HIV/AIDS as their topic from 1985 to 2000. This is the first study to combine the topics of the politics of performance, LGBT theatre, and mainstream theatre's political potential, a juxtaposition that shows how radical ideas become mainstream, that is, how the dominant ideology changes. Using materialist semiotics and extensive archival research, Juntunen delineates the cultural history of four pivotal productions from that period—Larry Kramer's *The Normal Heart* (1985), Tony Kushner's *Angels in America* (1992), Jonathan Larson's *Rent* (1996), and Moises Kaufman's *The Laramie Project* (2000). Examining the connection between AIDS,

mainstream theatre, and the media reveals key systems at work in ideological change over time during a deadly epidemic whose effects changed the nation forever. Employing media theory alongside nationalism studies and utilizing dozens of reviews for each case study, the volume demonstrates that reviews are valuable evidence of how a production was hailed by society's ideological gatekeepers. Mixing this new use of reviews alongside textual analysis and material study—such as the theaters' locations, architectures, merchandise, program notes, and advertising—creates an uncommonly rich description of these productions and their ideological effects. This book will be of interest to scholars and students of theatre, politics, media studies, queer theory, and US history, and to those with an interest in gay civil rights, one of the most successful social movements of the late twentieth century.
