bible study for dating couples pdf: *Fierce Marriage* Ryan Frederick, Selena Frederick, 2018-04-17 Ryan and Selena Frederick were newlyweds when they landed in Switzerland to pursue Selena's dream of training horses. Neither of them knew at the time that Ryan was living out a death sentence brought on by a worsening genetic heart defect. Soon it became clear he needed major surgery that could either save his life--or result in his death on the operating table. The young couple prepared for the worst. When Ryan survived, they both realized that they still had a future together. But the near loss changed the way they saw all that would lie ahead. They would live and love fiercely, fighting for each other and for a Christ-centered marriage, every step of the way. *Fierce Marriage* is their story, but more than that, it is a call for married couples to put God first in their relationship, to measure everything they do and say to each other against what Christ did for them, and to see marriage not just as a relationship they should try to keep healthy but also as one worth fighting for in every situation. With the gospel as their foundation, Ryan and Selena offer hope and practical help for common struggles in marriage, including communication problems, sexual frustration, financial stress, family tension, screen-time disconnection, and unrealistic expectations.

bible study for dating couples pdf: *Sex, Dating, and Relationships* Gerald Hiestand, Jay S. Thomas, 2012-02-29 Considering the pervasive immorality and high divorce rate of our contemporary Christian culture, we evidently need a biblically based, theologically compelling, practical understanding of sex, dating, and relationships. Pastors Gerald Hiestand and Jay Thomas counteract this problem with their paradigm-shifting view of purity and relationships—a view that challenges even the basic assumptions of evangelical subculture. Unlike most books on dating, this one cuts straight to the heart of dating relationships, asserting with confidence that the line must be drawn at no sexual activity whatever. Few have dared to define and apply the Bible's understanding of purity in premarital relationships to this degree, but Heistand and Thomas have done it. Furthermore, both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner. *Sex, Dating, and Relationships* adds a new, almost provocative voice to the conversation that, with straightforward theological insight, pleads with Christians to get serious about honoring Christ with their sexuality.
