Additional information about Adult Bible Studies, Fall 2023 Theme: God Provides This fall, our Bible lessons follow the theme "God Provides" and remind us of the ways God meets our needs and of God's call to us to help those who lack life's essentials of food, water, and shelter. The writer of the teacher book is Clara Welch. Unit 1 Food Scripture recognizes that hunger, famine, and food insecurity make people vulnerable to a variety of threats. It also testifies to God's generous provision of food for humans and wild creatures and to human responsibility to help those who are hungry and in need. From God's provision of manna in the wilderness to divine provision during famine, from Jesus' feeding of crowds to his teaching of a new way of being with the poor and marginalized through table fellowship, Scripture bears witness to God's graciousness and our responsibility as its recipients. Bible lessons in this unit are based on Exodus 16, 1 Kings 19, Mark 6, and Luke 14. Spiritual Practice: Feasting Unit 2 Water Like food insecurity, water insecurity threatens human life and the earth's species of plants and animals. Scripture uses the water motif in many ways. Water is dangerous as it represents a metaphor for chaos, historical enemies, God's judgment, devastation of drought-stricken land, and personal distress. As well, water is a gift from God for the flourishing of all creation, refreshment for body and soul, and source of eternal life embodied in Jesus. Thirst for water and provision of water are metaphors for the human relationship with God. Bible lessons in this unit are based on Genesis 21, Exodus 17, Psalm 42, John 7, and Matthew 25. Spiritual Practice: Creation Care Unit 3 Shelter In major cities and small towns across the country, many people have lived experience with homelessness. One of the major causes of homelessness is rooted in childhood trauma. Mental illness, sometimes stemming from such trauma, is another contributing factor, among others. Exploring the theme of shelter in Scripture cannot find ancient analogies for what today is becoming a crisis compounded by economic and social vulnerabilities. Even so, we can imagine and extrapolate, based on related themes and texts, that the physical security of home is a relevant theological construct then as now. Although various texts may make it easy to rush to focus our attention on spiritual shelter in God's presence, those who experience such a home in God find resources to extend hospitality and care through various means with those who today are experiencing homelessness. Bible lessons in this unit are based on Exodus 29, Psalm 27,

breaking bread hymnal 2023: The Fourth Cup Scott Hahn, 2018-02-20 From the bestselling author of The Lamb's Supper comes an illuminating work on the Catholic Eucharist and its link to the Jewish Passover meal. "Read this book. And don't just read it. Pray about it. Reflect on it. And share it with others."—Brant Pitre, author of The Case for Jesus In this brilliant book—part memoir, part detective story, and part biblical study—Scott Hahn opens up new vistas on ancient landscapes while shedding light on his own enduring faith journey. The Fourth Cup not only tracks the author's gradual conversion along the path of Evangelicalism to the doorsteps of the Catholic faith, but also explores the often obscure and misunderstood rituals of Passover and their importance in foreshadowing salvation in Jesus Christ. Revealing the story of his formative years as an often hot-headed student and earnest seeker in search of answers to great biblical mysteries, Hahn shows how his ardent exploration of the Bible's Old Testament turned up intriguing clues connecting the Last Supper and Christ's death on Calvary. As Hahn tells the story of his discovery of the supreme importance of the Passover in God's plan of salvation, we too experience often-overlooked relationships between Abel, Abraham, and the Hebrews' liberation from slavery in Egypt. Along the way, Hahn reveals how the traditional fourth cup of wine used in the concluding celebration of Passover explains in astonishing ways Christ's paschal sacrifice. Rooted in Scripture and ingrained with lively history, The Fourth Cup delivers a fascinating view of the bridges that span old and new covenants, and celebrates the importance of the Jewish faith in understanding more fully Christ's life, death, and resurrection.

breaking bread hymnal 2023: Breaking Bread Alistair C. Stewart, 2023-06-27 What's the difference between eucharist and agape? And how did each come to be? The liturgies of early Christians are often obscure and variegated in the historical record. This is especially true of the

eucharist, where the basic practice of communal eating is difficult to disentangle from other contemporary meals, whether Greco-Roman or Jewish practices—or the ill-defined agape meal. In *Breaking Bread*, Alistair C. Stewart cuts through scholarly confusion about early Christian eating. Stewart pinpoints the split in agape and eucharist to the shift in celebrating the eucharist on Sunday morning, leading to the inception of agape as an evening meal. The former sought divine union, the latter, communal harmony. In the final chapter he explores a breadth of Syriac, Greek, and Latin primary sources on a variety of local eucharistic traditions, tracing their development into the familiar prayers and distribution of token amounts of bread and wine, which emerged in the third century. Nuanced and well-researched, *Breaking Bread* clarifies the development of the blessed sacrament and its lesser-known counterpart. Theologians and historians of early Christianity will find Stewart's work foundational in approaching a topic of enduring scholarly interest but elusive consensus.
