The apostle Paul may never have visited the small

town of Colossae, located in modern-day Turkey, but he was linked to the congregation through a coworker named Epaphras. This man came to visit Paul while he was imprisoned in Rome to deliver troubling news about destructive teachings that had taken root in the Colossian fellowship. Paul penned a letter in response, urging the believers to experience the freedom they had found in Christ, recognize their salvation came through the Lordship of Jesus alone, and reflect the light of Christ in their lives. Paul also penned a short personal letter to a Colossian believer named Philemon, urging him to forgive a slave who had departed from him and receive him back as a fellow brother. Paul's words in these letters compel us to remember everything that Jesus has done for us and treat others as we want to be treated. **david jeremiah study bible pdf: Signs of Life** Dr. David Jeremiah, 2011-09-12 A tour de force of life on a journey with Jesus. By all means, take this journey if you can.—Chuck Colson, Founder, Prison Fellowship With our society's sometimes unfavorable view of Christians, it is all the more important that believers display what Dr. David Jeremiah calls signs of life — signs that Jesus has transformed us and that we are committed to Him and His kingdom. They are signs that ought to be detected from across the street, over the fence, down the hall, throughout the office, or in the pews, for it's not enough to just talk about Jesus. It's also not enough to serve Him in secret with our acts of private devotion. We have to display the lifestyle of the Nazarene in the midst of a corrupt and darkened culture. In a world starved for love, joy, peace, patience, kindness, faithfulness, honesty, relevance, and compassion, Christians should specialize in exactly those things through public expressions of private faith. It's by our smile, our compassion in the face of misfortune, our friendliness, our simple lifestyle, our willingness to commit random acts of kindness, our social ministries, our tears, and our words that unbelievers recognize Who we represent. *Signs of Life* will lead you on a journey to a fuller understanding of the marks that identify you as a Christian. Signs that will advertise your faith. Personal imprints that can impact souls for eternity and help you become a person of influence who radiates relevancy, authenticity, generosity, and compassion every day — just like Jesus did.

Follow Dr. Jeremiah through the gospel of Matthew in a chapter-by-chapter study that will help you understand what it meant to the people at the time it was written, and what it means to Christians today. At first glance, it seems surprising that Jesus would call a man like Matthew to become one of His disciples. As a small-time tax collector, Matthew would have been despised by the Jewish people, who viewed those in the profession as traitors to Rome. But the fact that Matthew was educated, literate, and also familiar with Jewish law and customs made him the ideal candidate to not only accompany Jesus during His earthly ministry but also record all that he witnessed. The result is the Gospel we have today. Matthew shows how Jesus, as the promised Messiah and eternal King, is worthy of our hope and our complete devotion. However, Luke's real passion was in setting down an orderly account that detailed the birth, ministry, death, and resurrection of Jesus. This was a task for which Luke was well suited, for he was both a thoughtful man of science and a great observer of people. Luke took great care in relating the information he collected, but he also emphasized the care that Jesus, as the Great Physician, extended to people everywhere—both Jewish and Gentile alike. **david jeremiah study bible pdf:** Jeremiah Derek Kidner, 2014-03-03 Preaching's Preacher's Guide to the Best Bible Reference for 2014 (Old Testament Commentaries) The prophet Jeremiah and King Josiah were born at the end of the longest, darkest reign in Judah's history. Human sacrifice and practice of the black arts were just two features of the wickedness that filled Jerusalem from one end to the other with innocent blood. As outspoken prophet and reforming king, these two men gave their country its finest opportunity of renewal and its last hope of surviving as the kingdom of David. The book of Jeremiah is full of turmoil and national tragedy, the story of key people like Baruch, Gedaliah and Ebedmelech the Ethiopian, and the drama of rediscovering the forgotten book of Mosaic law. National events interweave with the lives of individuals; the rediscovered book of God's law transforms Josiah, Jeremiah and the future of the world. Derek Kidner, in this volume that was formerly part of the widely respected The Bible Speaks Today series, gives careful attention to the text and reveals its startling relevance to our own troubled time.

**david jeremiah study bible pdf: Jeremiah** Matthew S. Harmon, 2016-07-18 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) Gospel Glimpses highlight the gospel of grace throughout the book; (3) Whole-Bible Connections show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) Theological Soundings identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. Appointed to be a prophet before he was born, Jeremiah faithfully preached God's Word in the face of confusion, opposition, and persecution. When instructed, he brought the message of God's righteous judgment against sin to the nation of Israel, but not without reminding them of God's covenant faithfulness. In this 12-week study, Matthew Harmon highlights key biblical themes, clarifies crucial doctrines, and draws personal applications from the book of Jeremiah—reminding us of the truth that God's proclamation of judgment is always intended to spur his people to seek salvation in and through him.

**david jeremiah study bible pdf: The Life Of David** Arthur Pink, 2020-01-25 The Life Of David is a message of meditation based on the Bible and written by Arthur Walkington Pink was born in Nottingham, England, to a corn merchant, a devout non-conformist of uncertain denomination, though probably a Congregationalist. Otherwise, almost nothing is known of Pink's childhood or education except that he had some ability and training in music. As a young man, Pink joined the Theosophical Society and apparently rose to enough prominence within its ranks that Annie Besant, its head, offered to admit him to its leadership circle. In 1908 he renounced Theosophy for evangelical Christianity. Desiring to become a minister but unwilling to attend a liberal theological college in England, Pink very briefly studied at Moody Bible Institute in Chicago in 1910 before taking the pastorate of the Congregational church in Silverton, Colorado. In 1912 Pink left Silverton, probably for California, and then took a joint pastorate of churches in rural Burkesville and Albany, Kentucky. In 1916, he married Vera E. Russell (1893-1962), who had been reared in Bowling Green, Kentucky. Pink's next pastorate seems to have been in Scottsville. Then the newlyweds moved in 1917 to Spartanburg, South Carolina, where Pink became pastor of Northside Baptist Church. By this time Pink had become acquainted with prominent dispensationalist Fundamentalists, such as Harry Ironside and Arno C. Gaebelin, and his first two books, published in 1917 and 1918, were in agreement with that theological position. Yet Pink's views were changing, and during these years he also wrote the first edition of The Sovereignty of God (1918), which argued that God did not love sinners and had deliberately created unto damnation those who would not accept Christ. Whether because of his Calvinistic views, his nearly incredible studiousness, his weakened health, or his lack of sociability, Pink left Spartanburg in 1919 believing that God would have me give myself to writing. But Pink then seems next to have taught the Bible with some success in California for a tent evangelist named Thompson while continuing his intense study of Puritan writings.
