

gary soto broken chain

gary soto broken chain is a poignant short story that explores themes of adolescence, identity, and the challenges of growing up. Written by renowned author Gary Soto, this narrative captures a significant moment in a young boy's life when a broken bicycle chain becomes a metaphor for his struggles with self-esteem and acceptance. The story delves into the complexities of peer pressure, family expectations, and the desire to impress others, all set against the backdrop of a working-class neighborhood. Through vivid characterization and relatable scenarios, Soto illustrates the universal experience of overcoming obstacles and learning important life lessons. This article provides an in-depth analysis of Gary Soto's "Broken Chain," examining its plot, characters, themes, and literary significance. Additionally, it highlights the story's relevance in educational contexts and its impact on readers today. The following sections will guide readers through a comprehensive understanding of the story and its enduring value in American literature.

- Plot Summary of Gary Soto Broken Chain
- Main Characters in Broken Chain
- Themes and Literary Devices
- Symbolism and Meaning in Broken Chain
- Gary Soto's Writing Style
- Educational Significance and Classroom Use

Plot Summary of Gary Soto Broken Chain

The plot of Gary Soto's "Broken Chain" centers on a young boy named Alfonso who experiences a moment of embarrassment and personal growth. Alfonso is eager to impress a girl he likes and decides to fix his bicycle to appear confident and capable. However, when the chain breaks, his plans unravel, leading to a series of events that highlight his vulnerability and determination. The story unfolds with Alfonso seeking help to repair the chain, facing the judgment of his peers, and ultimately learning to accept himself despite the mishap. This simple yet compelling narrative captures the essence of adolescence, where small incidents often carry significant emotional weight.

Overview of Key Events

The story begins with Alfonso preparing his bicycle, hoping it will catch the attention of his crush. As he rides, the chain suddenly breaks, causing him to stop abruptly. Embarrassed and desperate, he tries to fix it himself but fails. Alfonso then encounters a chain repairman who offers assistance. Through this interaction, Alfonso gains insight into resilience and humility. The story concludes with Alfonso feeling a renewed sense of confidence, having faced and overcome his initial embarrassment.

Setting and Context

Set in a working-class neighborhood, the environment reflects the socioeconomic realities that influence Alfonso's experiences. Gary Soto uses the setting to emphasize themes of community, family, and the challenges faced by young individuals in such contexts. The neighborhood atmosphere adds authenticity to the story, allowing readers to connect with Alfonso's world and the obstacles he navigates.

Main Characters in Broken Chain

Gary Soto's "Broken Chain" features a concise cast of characters, each contributing to the story's emotional depth and thematic resonance. The protagonist, Alfonso, embodies the struggles of adolescence, while supporting characters provide context and contrast to his journey.

Alfonso

Alfonso is a teenage boy who desires acceptance and admiration, especially from his romantic interest. His character represents the typical adolescent caught between childhood innocence and the pressures of growing up. Alfonso's actions and reactions drive the narrative, revealing his insecurities and growth throughout the story.

Supporting Characters

The story includes a few other characters, such as the chain repairman and Alfonso's peers, who play crucial roles in highlighting social dynamics and Alfonso's internal conflict. The repairman symbolizes wisdom and kindness, offering Alfonso practical help and emotional support, while the peers represent societal expectations and the fear of judgment.

Themes and Literary Devices

Gary Soto's "Broken Chain" is rich in themes that explore human experience, particularly the trials of adolescence. The story employs various literary devices to enhance its message and emotional impact.

Major Themes

- **Identity and Self-Acceptance:** Alfonso's journey reflects the struggle to accept oneself despite imperfections and failures.
- **Peer Pressure and Social Expectations:** The story highlights the influence of peers and the desire to conform.
- **Resilience and Growth:** Alfonso's response to the broken chain illustrates personal growth and resilience.

Literary Techniques

Soto uses imagery, symbolism, and characterization to convey the story's themes. The broken bicycle chain serves as a central symbol for obstacles and setbacks. The author's straightforward prose and authentic dialogue create a relatable and engaging narrative, making complex emotions accessible to readers of all ages.

Symbolism and Meaning in Broken Chain

The symbolism in Gary Soto's "Broken Chain" adds layers of meaning to the story, allowing readers to interpret the narrative beyond its literal events.

The Broken Chain as a Metaphor

The broken chain symbolizes more than just a mechanical failure; it represents Alfonso's fractured confidence and the challenges he faces in his social life. The chain's breakage interrupts Alfonso's plans and forces him to confront his vulnerabilities. Repairing the chain parallels his process of self-repair and acceptance.

Other Symbolic Elements

- **The Bicycle:** Represents freedom, independence, and the transition from childhood to adolescence.
- **The Repairman:** Symbolizes guidance, support, and the importance of community in overcoming difficulties.

Gary Soto's Writing Style

Gary Soto's writing style in "Broken Chain" is characterized by its clarity, emotional depth, and cultural authenticity. His use of simple yet evocative language allows the story to resonate with a wide audience, particularly young readers.

Language and Tone

The tone of the story is empathetic and realistic, capturing the nuances of adolescent life without sentimentality. Soto's language is accessible, incorporating colloquial expressions that reflect the cultural setting and enhance the story's authenticity.

Narrative Perspective

The story is told from a third-person limited point of view, focusing closely on Alfonso's experiences and thoughts. This perspective allows readers to engage intimately with the protagonist's emotional journey while maintaining an objective narrative stance.

Educational Significance and Classroom Use

Gary Soto's "Broken Chain" is widely used in educational settings due to its relatable themes and concise format. The story provides valuable opportunities for discussions on character development, themes, and cultural context.

Teaching Themes and Values

Educators utilize "Broken Chain" to teach about identity, resilience, and the importance of empathy. The story encourages students to reflect on their own experiences and challenges, fostering emotional intelligence and critical thinking.

Classroom Activities

- Character analysis essays focusing on Alfonso's growth.
- Group discussions on peer pressure and self-acceptance.
- Creative writing prompts inspired by the story's themes.
- Exploration of cultural and socioeconomic influences in literature.

Frequently Asked Questions

Who is the author of 'Broken Chain' and what is the story about?

The author of 'Broken Chain' is Gary Soto. The story is about a young boy named Luis who wants to impress a girl by fixing his broken bicycle chain to go on a ride with her.

What is the main theme of Gary Soto's 'Broken Chain'?

The main theme of 'Broken Chain' is self-confidence and overcoming obstacles. It highlights the importance of perseverance and self-belief in facing challenges.

How does Luis try to fix the broken chain in Gary Soto's 'Broken Chain'?

Luis tries to fix the broken chain by attempting to repair it himself, despite his lack of experience. He struggles but eventually manages to fix it, showing determination.

What role does Luis's father play in 'Broken Chain' by Gary Soto?

Luis's father plays a supportive role in the story. He encourages Luis and helps him learn how to fix the bicycle chain, symbolizing guidance and encouragement.

Why is the broken chain significant in Gary Soto's 'Broken Chain'?

The broken chain symbolizes Luis's initial insecurities and challenges. Fixing the chain represents his growth, confidence, and readiness to face new experiences.

How does Gary Soto use language and imagery in 'Broken Chain' to enhance the story?

Gary Soto uses simple yet vivid language and imagery to capture Luis's emotions and the setting. This helps readers connect with Luis's feelings of nervousness and determination.

Additional Resources

1. *"The Circuit" by Francisco Jiménez*

This autobiographical novel follows a young boy named Panchito and his family as migrant farmworkers in California. Like Gary Soto's "Broken Chain," it explores themes of identity, family, and the struggles of growing up in a challenging environment. The story reflects on the hardships and hopes of Mexican-American youth, emphasizing perseverance and self-discovery.

2. *"Esperanza Rising" by Pam Muñoz Ryan*

Esperanza Rising tells the story of a young girl who must adapt to a new life in the United States after her family loses their wealth in Mexico. The novel deals with themes of resilience, cultural identity, and personal growth, which resonate with the emotional and social challenges found in "Broken Chain." It highlights the importance of hope and determination in overcoming adversity.

3. *"The House on Mango Street" by Sandra Cisneros*

This coming-of-age novel features a young Latina girl named Esperanza Cordero growing up in Chicago. Through poetic vignettes, the book explores themes of cultural identity, belonging, and the desire to break free from limitations—ideas that parallel the struggles faced by the protagonist in "Broken Chain." It offers a vivid portrayal of Latino life in urban America.

4. *"Inside Out and Back Again" by Thanhha Lai*

This novel in verse follows a young Vietnamese girl's immigration experience in the United States. It shares themes of adaptation, family bonds, and self-acceptance, much like the emotional journey portrayed in "Broken Chain." The book eloquently captures the challenges of growing up caught between two cultures.

5. *"Thank You, Ma'am" by Langston Hughes*

This short story centers on a boy who tries to steal a woman's purse but is met with unexpected kindness and understanding. Similar to the themes in "Broken Chain," it emphasizes personal growth, trust, and the significance of second chances. Hughes' story reflects on human compassion and the potential for change.

6. *"Marigolds" by Eugenia Collier*

Set during the Great Depression, this story revolves around a young girl who confronts the complexities of growing up amid poverty and hardship. The themes of innocence, maturity, and the search for identity in "Marigolds" align with those in "Broken Chain." It is a poignant exploration of emotional growth and empathy.

7. *"Seventh Grade" by Gary Soto*

Another work by Gary Soto, this short story captures the awkwardness and excitement of middle school life as a boy tries to impress a girl. It shares the themes of adolescence, self-esteem, and cultural experiences found in "Broken Chain." The story uses humor and heart to depict the challenges of young love.

8. *"The Absolutely True Diary of a Part-Time Indian" by Sherman Alexie*

This semi-autobiographical novel follows a Native American teenager who transfers to an all-white high school. It addresses themes of identity, belonging, and overcoming adversity, echoing the struggles in "Broken Chain." The book combines humor and tragedy to explore the complexities of growing up in a marginalized community.

9. *"Roll of Thunder, Hear My Cry" by Mildred D. Taylor*

Set in the racially segregated South, this novel tells the story of the Logan family's fight for justice and dignity. Themes of family, courage, and social inequality resonate with those in "Broken Chain." It provides a powerful perspective on standing up for oneself and the importance of heritage.

Conclusion: Embracing Your Authentic Self.

Unlocking "Broken Chain": A Guide to Self-Esteem and Identity

Introduction: Exploring the Enduring Power of "Broken Chain"

Gary Soto's "Broken Chain" is more than just a short story; it's a powerful exploration of self-esteem, identity, and the pressures faced by adolescents navigating the complexities of growing up. The novella's enduring appeal lies in its relatable characters and themes that resonate across cultures and generations. Alfonso, the protagonist, grapples with insecurities about his appearance, fueling a desire for acceptance and belonging. This ebook delves deep into the narrative, analyzing its key themes and offering practical strategies for readers to apply Soto's insights to their own lives and improve their self-esteem. We'll examine the psychological underpinnings of Alfonso's struggles, explore the influence of family and peers, and ultimately, learn how to embrace our authentic selves.

Chapter 1: The Power of Appearance: Analyzing the Role of Physical Self-Image in Soto's Narrative

Alfonso's obsession with his appearance is central to the story. His crooked teeth, his scraggly hair, and his lack of a bike become symbols of his perceived inadequacy. This chapter examines how societal pressures and media influence contribute to the formation of negative self-image, particularly among adolescents. We will analyze the impact of Alfonso's perception of his physical flaws on his self-esteem, his relationships, and his overall well-being. The chapter will also discuss body image issues in today's society and explore effective coping mechanisms for dealing with these challenges. Keywords: body image, self-esteem, adolescence, social pressure, media influence, physical appearance, self-perception, self-acceptance.

Chapter 2: Family Dynamics and Self-Worth: Examining Alfonso's Relationship with His Family

While Alfonso's insecurities stem partly from external pressures, his family dynamics also play a significant role. This chapter analyzes the role of Alfonso's relationship with his father and his brother in shaping his self-perception. We'll examine how their actions, or lack thereof, either support or undermine his self-esteem. We'll explore the importance of parental support and positive reinforcement in fostering healthy self-image during adolescence. The chapter will also discuss

dysfunctional family dynamics and their impact on self-esteem, providing strategies for improving family communication and building stronger relationships. Keywords: family dynamics, self-esteem, parental influence, sibling relationships, communication, support, dysfunctional families, positive reinforcement, family therapy.

Chapter 3: Friendship and Acceptance: The Significance of Peer Influence on Self-Esteem

The yearning for acceptance from peers is a powerful motivator for Alfonso. This chapter examines the role of friendship and social acceptance in shaping self-esteem during adolescence. We'll analyze Alfonso's interactions with his friends and how these interactions affect his self-perception. The importance of belonging and the impact of social exclusion will be discussed. The chapter will also explore healthy peer relationships, the dangers of peer pressure, and the importance of cultivating genuine connections. Keywords: friendship, peer pressure, social acceptance, belonging, social exclusion, self-esteem, adolescence, peer influence, social dynamics, healthy relationships.

Chapter 4: Overcoming Obstacles: Alfonso's Journey Toward Self-Acceptance

Alfonso's journey isn't without its challenges. This chapter analyzes the various obstacles he faces and the strategies he employs to overcome them. We'll explore his attempts to improve his appearance, his struggles with self-doubt, and his eventual realization that true self-acceptance transcends physical perfection. This chapter will delve into the psychological processes involved in self-acceptance and offer practical advice on developing resilience and coping with setbacks. Keywords: self-acceptance, resilience, overcoming obstacles, self-doubt, self-compassion, personal growth, positive self-talk, self-efficacy, problem-solving, emotional regulation.

Chapter 5: Beyond the Broken Chain: Applying the Lessons of Self-Acceptance to Modern Life

This chapter connects the themes of "Broken Chain" to contemporary issues of self-esteem and identity. We will explore how the lessons learned from Alfonso's experience can be applied to modern-day challenges related to social media, body image, and the pressure to conform. The chapter will provide practical strategies for building self-esteem, cultivating self-compassion, and embracing individuality in an increasingly interconnected world. Keywords: self-esteem, self-acceptance, social media, body image, conformity, individuality, self-compassion, mental health, self-care, personal development.

Conclusion: Embracing Your Authentic Self

The concluding chapter emphasizes the importance of self-acceptance and embracing one's authentic self. It summarizes the key takeaways from the book and reinforces the message that true self-worth is not dependent on external validation or physical perfection. The conclusion encourages readers to embark on their own journey of self-discovery and to celebrate their unique qualities. Keywords: self-acceptance, authenticity, self-worth, self-love, self-discovery, personal growth, mental well-being, positive psychology.

FAQs:

1. What is the main theme of "Broken Chain"? The main theme explores the challenges of adolescence, focusing specifically on self-esteem, body image, and the desire for social acceptance.
2. How does Alfonso's appearance affect his self-esteem? Alfonso's perceived flaws (crooked teeth, messy hair) significantly impact his self-esteem, causing him to feel inadequate and insecure.
3. What role does family play in Alfonso's story? Family dynamics, particularly his father's influence, both positively and negatively, significantly shape Alfonso's self-perception and aspirations.
4. How does friendship influence Alfonso's self-esteem? The desire for acceptance from peers, particularly his friend's reaction to his appearance, significantly affects his self-esteem and motivates his actions.
5. What is the significance of the broken chain in the story? The broken chain symbolizes Alfonso's broken sense of self, his insecurities, and his desire for improvement and self-acceptance.
6. What are some of the obstacles Alfonso faces? Obstacles include his physical insecurities, strained relationships, and societal pressures to conform to certain physical ideals.
7. How does Alfonso overcome his challenges? Alfonso overcomes his challenges through self-reflection, determination to improve, and a gradual acceptance of himself despite perceived flaws.
8. What are some key takeaways from the story? Key takeaways include the importance of self-acceptance, resilience in the face of challenges, and the understanding that true worth isn't solely based on physical appearance.
9. How can readers apply the lessons of "Broken Chain" to their own lives? Readers can apply the lessons by focusing on self-compassion, embracing their unique qualities, and striving for self-acceptance instead of conforming to external pressures.

gary soto broken chain: A Summer Life Gary Soto, 1991-08-01 Gary Soto writes that when he was five what I knew best was at ground level. In this lively collection of short essays, Soto takes his reader to a ground-level perspective, resreating in vivid detail the sights, sounds, smells, and textures he knew growing up in his Fresno, California, neighborhood. The things of his boyhood tie it all together: his Buddha splotched with gold, the taps of his shoes and the engines of sparks that lived beneath my soles, his worn tennies smelling of summer grass, asphalt, the moist sock breathing the defeat of basesall. The child's world is made up of small things--small, very important things.

gary soto broken chain: Accidental Love Gary Soto, 2006 The award-winning author of *Baseball in April* and *Other Stories* deftly captures all the angst, expectation, and humor that comes with first love in this swift, lighthearted romance.

gary soto broken chain: Canyons Gary Paulsen, 2011-08-31 Two boys, separated by the canyons of time and two vastly different cultures, face the challenges by which they will become men. Coyote Runs, an Apache boy, takes part in his first raid. But he is to be a man for only a short time. More than a hundred years later, while camping near Dog Canyon, 15-year-old Brennan Cole becomes obsessed with a skull that he finds, pierced by a bullet. He learns that it is the skull of an Apache boy executed by soldiers in 1864. A mystical link joins Brennan and Coyote Runs, and Brennan knows that neither boy will find peace until Coyote Runs' skull is carried back to an ancient sacred place. In a grueling journey through the canyon to return the skull, Brennan confronts the challenge of his life.

gary soto broken chain: The Dumbest Kid in Gifted Class Dan Ryckert, 2016-11-03 Since 2009, Dan Ryckert's life has been well documented. Whether through his writing, live appearances, tweets, or thousands of hours of videos and podcasts, his work has been seen by many. He's set two Guinness World Records, earned the ire of legendary baseball players, penned two novels about an alligator fighter pilot, raised thousands for charity via custom Super Mario Bros. levels, and works a side job as a professional wrestling manager. These are the stories that people already know. Before jumping headfirst into the public eye, Ryckert's history was just as unique. He's been a Catholic schoolboy and an insufferable movie theater employee. He's befriended the insane and almost been stabbed. Time and time again, he's taken long shots that have inexplicably paid off in ridiculous ways. Dan Ryckert's history of unlikely events didn't start in 2009. They were happening for 25 years prior to that, and the details can be found in *The Dumbest Kid in Gifted Class*.

gary soto broken chain: Strengthening Forensic Science in the United States National Research Council, Division on Engineering and Physical Sciences, Committee on Applied and Theoretical Statistics, Policy and Global Affairs, Committee on Science, Technology, and Law, Committee on Identifying the Needs of the Forensic Sciences Community, 2009-07-29 Scores of talented and dedicated people serve the forensic science community, performing vitally important work. However, they are often constrained by lack of adequate resources, sound policies, and national support. It is clear that change and advancements, both systematic and scientific, are needed in a number of forensic science disciplines to ensure the reliability of work, establish enforceable standards, and promote best practices with consistent application. *Strengthening Forensic Science in the United States: A Path Forward* provides a detailed plan for addressing these needs and suggests the creation of a new government entity, the National Institute of Forensic Science, to establish and enforce standards within the forensic science community. The benefits of

improving and regulating the forensic science disciplines are clear: assisting law enforcement officials, enhancing homeland security, and reducing the risk of wrongful conviction and exoneration. *Strengthening Forensic Science in the United States* gives a full account of what is needed to advance the forensic science disciplines, including upgrading of systems and organizational structures, better training, widespread adoption of uniform and enforceable best practices, and mandatory certification and accreditation programs. While this book provides an essential call-to-action for congress and policy makers, it also serves as a vital tool for law enforcement agencies, criminal prosecutors and attorneys, and forensic science educators.

gary soto broken chain: *Good Bones* Maggie Smith, 2020-07-15 Featuring “Good Bones”—called “Official Poem of 2016” by the BBC/Public Radio International. Maggie Smith writes out of the experience of motherhood, inspired by watching her own children read the world like a book they've just opened, knowing nothing of the characters or plot. These are poems that stare down darkness while cultivating and sustaining possibility, poems that have a sense of moral gravitas, personal urgency, and the ability to address a larger world. Maggie Smith's previous books are *The Well Speaks of Its Own Poison* (Tupelo, 2015), *Lamp of the Body* (Red Hen, 2005), and three prize-winning chapbooks: *Disasterology* (Dream Horse, 2016), *The List of Dangers* (Kent State, 2010), and *Nesting Dolls* (Pudding House, 2005). Her poem “Good Bones” has gone viral—tweeted and translated across the world, featured on the TV drama *Madam Secretary*, and called the “Official Poem of 2016” by the BBC/Public Radio International, earning news coverage in the *New York Times*, *Washington Post*, *Slate*, the *Guardian*, and beyond. Maggie Smith was named the 2016 Ohio Poet of the Year. “Smith's voice is clear and unmistakable as she unravels the universe, pulls at a loose thread and lets the whole thing tumble around us, sometimes beautiful, sometimes achingly hard. Truthful, tender, and unafraid of the dark....”—Ada Limón “As if lost in the soft, bewitching world of fairy tale, Maggie Smith conceives and brings forth this metaphysical Baedeker, a guidebook for mother and child to lead each other into a hopeful present. Smith's poems affirm the virtues of humanity: compassion, empathy, and the ability to comfort one another when darkness falls. 'There is a light,' she tells us, 'and the light is good.'”—D. A. Powell “Good Bones is an extraordinary book. Maggie Smith demonstrates what happens when an abundance of heart and intelligence meets the hands of a master craftsman, reminding us again that the world, for a true poet, is blessedly inexhaustible.”—Erin Belieu

Whether that means collecting Ivy League degrees or growing his father’s fast-food empire, nothing sets Ramón off course. So when the sexy señorita who kissed him on the Day of the Dead runs off into the night with his heart, he determines to do whatever it takes to find her again. Celebrity chef Julieta Campos has sacrificed everything to save her sea-to-table taqueria from closing. To her horror, she discovers that her new landlord is none other than the magnetic mariachi she hooked up with on *Día de los Muertos*. Even worse, it was his father who stole her mother’s taco recipe decades ago. Julieta has no choice but to work with Ramón, the man who destroyed her life’s work—and the one man who tempts and inspires her. As San Diego’s outraged community protests against the Taco King takeover and the divide between their families grows, Ramón and Julieta struggle to balance the rising tensions. But Ramón knows that true love is priceless and despite all of his successes, this is the one battle he refuses to lose.

gary soto broken chain: Discovering Voice Nancy Dean, 2013 Lessons on diction, detail, figurative language, imagery, syntax, and tone help middle and early high school students understand the concept of voice in what they read and develop a strong, personal voice in their own writing. Each voice lesson takes only 10-20 minutes to complete and includes a quotation selected from a wide range of literature, two discussion questions, and an exercise that encourages students to practice what they have learned about the elements of voice. *Discovering Voice* also offers a collection of quotations students can use to create their own voice lessons. Discussion suggestions for each voice lesson and additional activities for teaching voice further promote critical analysis. Each of the seven packs on the elements of voice--diction, detail, figurative language 1 (metaphors, similes, and personification), figurative language 2 (hyperboles, symbols, and irony), imagery, syntax, and tone--include an introduction, lessons with discussion questions and an exercise, write-your-own voice lessons, a list of additional activities for teaching voice, and discussion suggestions.

gary soto broken chain: How to Read Literature Like a Professor Thomas C. Foster, 2017-05-16 The classic guide, now available in a hardcover edition—a lively and entertaining introduction to literature and literary basics, including symbols, themes and contexts, that shows you how to make your everyday reading experience more rewarding and enjoyable. While many books can be enjoyed for their basic stories, there are often deeper literary meanings interwoven in these texts. *How to Read Literature Like a Professor* helps us to discover those hidden truths by looking at literature with the eyes—and the literary codes of the ultimate professional reader, the college professor. What does it mean when a literary hero is traveling along a dusty road? When he hands a drink to his companion? When he's drenched in a sudden rain shower? Ranging from major themes to literary models, narrative devices and form, Thomas C. Foster provides us with a broad

overview of literature—a world where a road leads to a quest, a shared meal may signify a communion, and rain, whether cleansing or destructive, is never just a shower—and shows us how to make our reading experience more enriching, satisfying, and fun. This revised edition includes new chapters, a new preface and epilogue, and incorporates updated teaching points that Foster has developed over the past decade.

gary soto broken chain: The Complete Idiot's Guide to Creative Writing, 2nd edition

Laurie Rozakis, 2004-06-01 A creative writing class in a book -REVISED. Major revisions take this popular Complete Idiot's Guide to a new level, offering readers a better way to unlock their creativity from the first page. Exercises help them explore their talents and experiment with different genres and forms of writing, including short stories, narrative fiction, memoirs, magazine articles, poetry, drama, blogging, and freewriting.

gary soto broken chain: Bridging the Chasm Ray Gosa, 2020-07-20 This book contains some of the most powerful and effective gap-bridging units. What makes them gap-bridging is not their physical composition alone; but rather, it is their tandem use and application. There are essentially three components to the units: a vocabulary list, complete with part of speech and denotations; a grammatically incorrect short story that features the same vocabulary words from the first component list; and a set of comprehension / discussion questions that focus back to the short story. When protocols are followed, these exercises are enormously effective! My students have grown tremendously over the years!

gary soto broken chain: Scranimals Jack Prelutsky, 2006-02-28 We're sailing to Scranimal Island, It doesn't appear on most maps.... Scranimal Island is where you will find the fragrant Rhinoceros, the cunning Broccolions, and if you are really, really lucky and very, very quiet, you will spot the gentle, shy Pandaffodil. (You may even hear it yawning if the morning's just begun, watch its petals slowly open to embrace the rising sun. So put on your pith helmet and prepare to explore a wilderness of puns and rhymes where birds, beasts, vegetables, and flowers have been mysteriously scrambled together to create creatures you've never seen before -- and are unlikely to meet again! Your guides -- Jack Prelutsky, poet laureate of the elementary school set, and two-time Caldecott Honor artist Peter Sis - invite you to join them on an adventure you will never forget! Ages 4+

gary soto broken chain: Khobar Towers: Tragedy and Response Perry D. Jamieson, 2008 This account of the Khobar Towers bombing tells the story of the horrific attack and the magnificent response of airmen doing their duty under nearly impossible circumstances. None of them view their actions as heroic, yet the reader will marvel at their calm professionalism. All of them say it was just their job, but the reader will wonder how they could be so well trained to act almost instinctively to do the right thing at the right time. None of them would see their actions as selfless, yet countless numbers refused medical attention until the more seriously injured got treatment. Throughout this book, the themes of duty, commitment, and devotion to comrades resoundingly underscore the notion that America's brightest, bravest, and best wear her uniforms in service to the nation. This book is more than heroic actions, though, for there is also controversy. Were commanders responsible for not adequately protecting their people? What should one make of the several conflicting investigations following the attack? Dr. Jamieson has not shied away from these difficult questions, and others, but has discussed them and other controversial judgments in a straightforward and dispassionate way that will bring them into focus for everyone. It is clear from this book that there is a larger issue than just the response to the bombing. It is the issue of the example set by America's airmen. Future airmen who read this book will be stronger and will stand on the shoulders of those who suffered and those who made the ultimate sacrifice.

gary soto broken chain: Afterlife Gary Soto, 2005-03 A senior at East Fresno High School lives on as a ghost after his brutal murder in the restroom of a club where he had gone to dance.

gary soto broken chain: The Practice of the Wild Gary Snyder, 2020-09-08 A collection of captivatingly meditative essays that display a deep understanding of Buddhist belief, wildness, wildlife, and the world from an American cultural force. With thoughts ranging from political and

spiritual matters to those regarding the environment and the art of becoming native to this continent, the nine essays in *The Practice of the Wild* display the deep understanding and wide erudition of Gary Snyder. These essays, first published in 1990, stand as the mature centerpiece of Snyder's work and thought, and this profound collection is widely accepted as one of the central texts on wilderness and the interaction of nature and culture.

gary soto broken chain: *The Wise Old Woman*, 1996 An old woman demonstrates the value of her age when she solves a warlord's three riddles and saves her village from destruction.

gary soto broken chain: Soil pollution: a hidden reality Food and Agriculture Organization of the United Nations, 2018-04-30 This document presents key messages and the state-of-the-art of soil pollution, its implications on food safety and human health. It aims to set the basis for further discussion during the forthcoming Global Symposium on Soil Pollution (GSOP18), to be held at FAO HQ from May 2nd to 4th 2018. The publication has been reviewed by the Intergovernmental Technical Panel on Soil (ITPS) and contributing authors. It addresses scientific evidences on soil pollution and highlights the need to assess the extent of soil pollution globally in order to achieve food safety and sustainable development. This is linked to FAO's strategic objectives, especially SO1, SO2, SO4 and SO5 because of the crucial role of soils to ensure effective nutrient cycling to produce nutritious and safe food, reduce atmospheric CO₂ and N₂O concentrations and thus mitigate climate change, develop sustainable soil management practices that enhance agricultural resilience to extreme climate events by reducing soil degradation processes. This document will be a reference material for those interested in learning more about sources and effects of soil pollution.

gary soto broken chain: *American Holocaust* David E. Stannard, 1993-11-18 For four hundred years--from the first Spanish assaults against the Arawak people of Hispaniola in the 1490s to the U.S. Army's massacre of Sioux Indians at Wounded Knee in the 1890s--the indigenous inhabitants of North and South America endured an unending firestorm of violence. During that time the native population of the Western Hemisphere declined by as many as 100 million people. Indeed, as historian David E. Stannard argues in this stunning new book, the European and white American destruction of the native peoples of the Americas was the most massive act of genocide in the history of the world. Stannard begins with a portrait of the enormous richness and diversity of life in the Americas prior to Columbus's fateful voyage in 1492. He then follows the path of genocide from the Indies to Mexico and Central and South America, then north to Florida, Virginia, and New England, and finally out across the Great Plains and Southwest to California and the North Pacific Coast. Stannard reveals that wherever Europeans or white Americans went, the native people were caught between imported plagues and barbarous atrocities, typically resulting in the annihilation of 95 percent of their populations. What kind of people, he asks, do such horrendous things to others? His highly provocative answer: Christians. Digging deeply into ancient European and Christian attitudes toward sex, race, and war, he finds the cultural ground well prepared by the end of the Middle Ages for the centuries-long genocide campaign that Europeans and their descendants launched--and in places continue to wage--against the New World's original inhabitants. Advancing a thesis that is sure to create much controversy, Stannard contends that the perpetrators of the American Holocaust drew on the same ideological wellspring as did the later architects of the Nazi Holocaust. It is an ideology that remains dangerously alive today, he adds, and one that in recent years has surfaced in American justifications for large-scale military intervention in Southeast Asia and the Middle East. At once sweeping in scope and meticulously detailed, *American Holocaust* is a work of impassioned scholarship that is certain to ignite intense historical and moral debate.

gary soto broken chain: *How Change Happens* Duncan Green, 2016 DLP, Developmental Leadership Program; Australian Aid; Oxfam.

gary soto broken chain: *Voice Lessons* Nancy Dean, 2000 Prepare your high school students for AP, IB, and other standardized tests that demand an understanding of the subtle elements that comprise an author's unique voice. Each of the 100 sharply focused, historically and culturally

diverse passages from world literature targets a specific component of voice, presenting the elements in short, manageable exercises that function well as class openers. Includes teacher notes and discussion suggestions.

Grade 7 McGraw-Hill Education, 2006-03-31 Improve reading comprehension for struggling readers with accessible literature presented in an interactive format.

gary soto broken chain: Autonomous Horizons Greg Zacharias, 2019-04-05 Dr. Greg Zacharias, former Chief Scientist of the United States Air Force (2015-18), explores next steps in autonomous systems (AS) development, fielding, and training. Rapid advances in AS development and artificial intelligence (AI) research will change how we think about machines, whether they are individual vehicle platforms or networked enterprises. The payoff will be considerable, affording the US military significant protection for aviators, greater effectiveness in employment, and unlimited opportunities for novel and disruptive concepts of operations. *Autonomous Horizons: The Way Forward* identifies issues and makes recommendations for the Air Force to take full advantage of this transformational technology.

gary soto broken chain: Spectrum Language Arts, Grade 7 Spectrum, 2014-08-15 An understanding of language arts concepts is key to strong communication skills—the foundation of success across disciplines. *Spectrum Language Arts* for grade 7 provides focused practice and creative activities to help your child master parts of speech, vocabulary, sentence types, and grammar. --This comprehensive workbook doesn't stop with focused practice—it encourages children to explore their creative sides by challenging them with thought-provoking writing projects. Aligned to current state standards, *Spectrum Language Arts* for grade 7 includes an answer key and a supplemental Writer's Guide to reinforce grammar and language arts concepts. With the help of *Spectrum*, your child will build the language arts skills necessary for a lifetime of success.
