**free bible studies for couples dating pdf:** *Sex, Dating, and Relationships* Gerald Hiestand, Jay S. Thomas, 2012-02-29 Considering the pervasive immorality and high divorce rate of our contemporary Christian culture, we evidently need a biblically based, theologically compelling, practical understanding of sex, dating, and relationships. Pastors Gerald Hiestand and Jay Thomas counteract this problem with their paradigm-shifting view of purity and relationships—a view that challenges even the basic assumptions of evangelical subculture. Unlike most books on dating, this one cuts straight to the heart of dating relationships, asserting with confidence that the line must be drawn at no sexual activity whatever. Few have dared to define and apply the Bible's understanding of purity in premarital relationships to this degree, but Heistand and Thomas have done it. Furthermore, both authors are vocational pastors who communicate regularly with the target audience and have a proven ability to express biblical truth in a winsome and compelling manner. *Sex, Dating, and Relationships* adds a new, almost provocative voice to the conversation that, with straightforward theological insight, pleads with Christians to get serious about honoring Christ with their sexuality.

**free bible studies for couples dating pdf: *Sex - Its Unknown Dimension*** David C. Pack, 2010-09  
The world is drenched-in fact, drowning-in a deluge of sex. More than ever, mankind is awash in every conceivable kind of sexual pleasure, fantasy, perversion, and pursuit-in or out of marriage. Society is flooded with movies, books, magazines, advertisements, television programs, and websites for every kind of pornography and sex-related act the misguided creative genius of mankind could devise. Deluded educators and ignorant moralists have taught young minds for decades that there are no absolutes and to follow situation ethics in all circumstances. These misguided teachers have led the world into a kind of secular humanism-one in which people are driven by how they feel rather than clear definitions of right and wrong. In addition, the world's supposed great religions have collectively FAILED a world counting on them for deliverance from the misery besetting all civilization. This has led to a level of immorality and kinds of perversion perhaps never before seen in history. Yet there is right and wrong in life. And there is an awesome purpose for humanity collectively that, when fully understood, is inseparable from the purposes of sex and the marriage institution. *Sex-Its Unknown Dimension* reveals this incredible knowledge-knowledge that you must not be without!
